## Fiscal Year 2022 Proposed Budget

Travis County, Texas

Prepared by:

Travis CAD Finance  
Department

# Travis Central Appraisal District

*The activities of the Travis Central Appraisal District are governed by the legislature, and the administrative rules adopted by the Comptroller's Property Tax Assistance Division.*

## Our Mission

*The mission of the Travis Central Appraisal District is to provide accurate appraisal of all property in Travis County at one hundred percent market value, equally and uniformly, in a professional, ethical, economical and courteous manner, working to ensure that each taxpayer pays only their fair share of the property tax burden.*

## Our Vision

*The Travis Central Appraisal District will act in accordance with the highest principles of professional conduct, ethics, accountability, efficiency, openness, skill and integrity. We approach our activities with a deep sense of purpose and responsibility.*

## Our Values

- **Appraise-** fairly, efficiently, and effectively, balancing the needs of both taxpayers and the taxing units by adhering to the Texas Property Tax Code, USPAP, and generally accepted appraisal standards.
- **Educate-** taxpayers of their rights, remedies and responsibilities.
- **Communicate-** collaboratively with and encourage communication among the taxing units, taxpayer public, and the agency.
- **Service-** provide exceptional customer service that is accessible, responsible and transparent.
- **Performance-** demand integrity, accountability and high standards from all staff and strive continuously for excellence and efficiency.

## Strategic Goals

1. *Develop appraisals that reflect market value and ensure fairness and uniformity*
2. *Be efficient in business processes and ensure that mission critical tasks are completed in a timely manner with a high level of accuracy*
3. *Collect, create and maintain accurate data*
4. *Ensure that the district maintains a highly educated, motivated and skilled workforce*
5. *Provide customer service that is courteous, professional and accurate*

August 17, 2021

Travis County Taxpayers,  
Travis CAD Board of Directors,  
Presiding Officers of all Taxing Entities, and  
Ms. Marya Crigler, Chief Appraiser,  
Travis Central Appraisal District:

I am pleased to present the proposed budget for the Travis Central Appraisal District (the District) for fiscal year 2022. As you might recall from last year, the TCAD Board of Directors adopted a no-change budget of \$20.19 million for 2021 in light of the challenges our taxing units were facing during the pandemic. This year, we have proposed a \$22.79 million budget -- a 12.84 percent increase -- as we grapple with costly unfunded mandates from the Legislature, staffing shortages and an ever-mounting workload as Austin and Travis County continue to grow rapidly. The proposed and five previous years' budget history compare as follows:

Year	Budget Amount	Percentage Increase
2017	\$ 18,103,517	3.49%
2018	\$ 18,827,658	4.00%
2019	\$ 19,486,627	3.50%
2020	\$ 20,193,893	3.63%
2021	\$ 20,193,893	0.00%
2022	\$ 22,786,110	12.84%

TCAD runs a very lean operation and has today the same number of budget personnel as in 2011.

## Budgeted Personnel

Year	2011	2012	2013	2014	2015	2016	2017	2018	2019	2020	2021
# of Budgeted Personnel	129	130	128	127.5	132	131	132	123	125	129	129

For the 2020 appraisal year, Travis CAD had the third highest market value in the state. A helpful statistic for weighing appraisal district performance is made by comparing the appraisal district budget to total market value. This measures appraisal and operating efficiencies based on how much it costs to produce a market value appraisal roll. Travis CAD has the lowest budget as a percent of total market value compared to other similar metro CADs.

Budget as a % of Market Value			
CAD	Market Value	Budget	Budget as % of Market Value
<b>Travis CAD</b>	<b>\$ 282,832,710,705</b>	<b>\$ 20,193,893</b>	<b>0.0071%</b>
Dallas CAD	\$ 338,414,666,296	\$ 28,144,871	0.0083%
Bexar CAD	\$ 211,747,006,032	\$ 18,948,050	0.0089%
Tarrant CAD	\$ 271,240,978,852	\$ 28,441,197	0.0105%
Denton CAD	\$ 134,834,279,727	\$ 14,219,669	0.0105%
Williamson CAD	\$ 84,928,636,262	\$ 9,509,500	0.0112%
Harris CAD	\$ 614,768,405,959	\$ 90,728,307	0.0148%
Fort Bend CAD	\$ 95,759,594,087	\$ 14,259,935	0.0149%
El Paso CAD	\$ 57,387,035,437	\$ 16,082,787	0.0280%

Compared to the other metro CADs, Travis CAD also had the second lowest budget as a percent of total levy, further demonstrating that Travis CAD continues to operate in an efficient manner.

2020 Budget as a % of Total Levy			
CAD	2020 Budget	2019 Levy	Budget as % of Total Levy
Dallas CAD	\$ 28,144,871	\$ 7,371,062,620	0.38%
<b>Travis CAD</b>	<b>\$ 20,193,893</b>	<b>\$ 4,655,621,613</b>	<b>0.43%</b>
Bexar CAD	\$ 18,948,050	\$ 4,154,643,866	0.46%
Tarrant CAD	\$ 28,441,197	\$ 4,753,469,524	0.60%
Denton CAD	\$ 14,219,669	\$ 2,261,264,061	0.63%
Williamson CAD	\$ 9,509,500	\$ 1,471,539,814	0.65%
Fort Bend CAD	\$ 14,259,935	\$ 2,004,575,740	0.71%
Harris CAD	\$ 90,728,307	\$ 11,888,313,314	0.76%
El Paso CAD	\$ 16,082,787	\$ 1,299,944,197	1.24%

The new legislative mandates, however, will exacerbate our existing staffing shortages. Senate Bill 63, for example, creates new deadlines for acting on applications for all exemptions and requires that every application be reviewed within 30 days of receipt in order to notify the property owner if additional information is needed. Based on our workload and expected increase in work due to recently passed legislation, TCAD is requesting 15 additional staff in the 2022 proposed

budget and will request an additional 13 positions in the 2023 proposed budget. Even with these additional employees, TCAD staffing levels will remain well below those of our peer appraisal districts around the state.

LOCAL ECONOMY

2020 is one for the history books. In terms of the US economy we saw a GDP swing from -34.3% in Q2 to +33.4% in Q3. Streets were empty, those that could, stayed home and our essential workers soldiered on providing society with the necessities. By the end of the year we saw an overall decrease of 3.5% of the US Gross Domestic Product. The uncertainty in our economy and our personal lives put many investors into a hold position for the better part of the year as indicated by a global CRE deal volume decrease of 36% year-over-year in Q2 2020, according to Deloitte. Moving on to Q4, our proverbial light at the end of the tunnel began to shine in the form of COVID-19 vaccines. Cash flush investors looking for distressed sales continue to sit on their riches as the quicker than expected rebound has continued the upward trend of CRE in general as indicated by a 5.7% year-over-year increase of the All-Property Index which shows the total investment return for CRE investors. Roughly 1% of an already reduced number of transactions have been distressed in 2020, according to Real Capitol Analytics. With lessons learned from the Great Recession, our brief but drastic 2020 recession has left many investors well positioned to continue where they left off going into 2021.

Locally, economic growth in Austin is expected to continue outpacing much of the rest of the country due in part to its diversified economy and its ability to draw a substantial amount of domestic and international capital. For the third year in a row, Austin has taken the No. 3 spot on the Milken Institute’s Best-Performing Cities report, noting presences of major tech companies such as Apple Inc., Samsung Electronics, IBM Corp., and Dell.

The Texas capital was named ranked No. 2 for overall real estate prospects in this year’s Urban Land Institute annual industry survey, “Emerging Trends in Real Estate 2021.” The population continues to swell at historic rates, noting Austin as a national leader for resiliency of job market. “Austin has become the clear darling of investors

in the post-pandemic world. Attracting investors with its unique combination of high-quality lifestyle, new supply, and a tech forward economy and workforce,” said CBRE’s Vice President Russell Ingram.

Austin once again has topped the U.S News & World Report’s ranking of the best places to live in the United States. With a diverse and well educated workforce, no state income taxes and a business friendly climate, there are no signs of a slowdown in Austin’s popularity and growth, solidifying its boomtown status.

## Where Does Austin Rank?

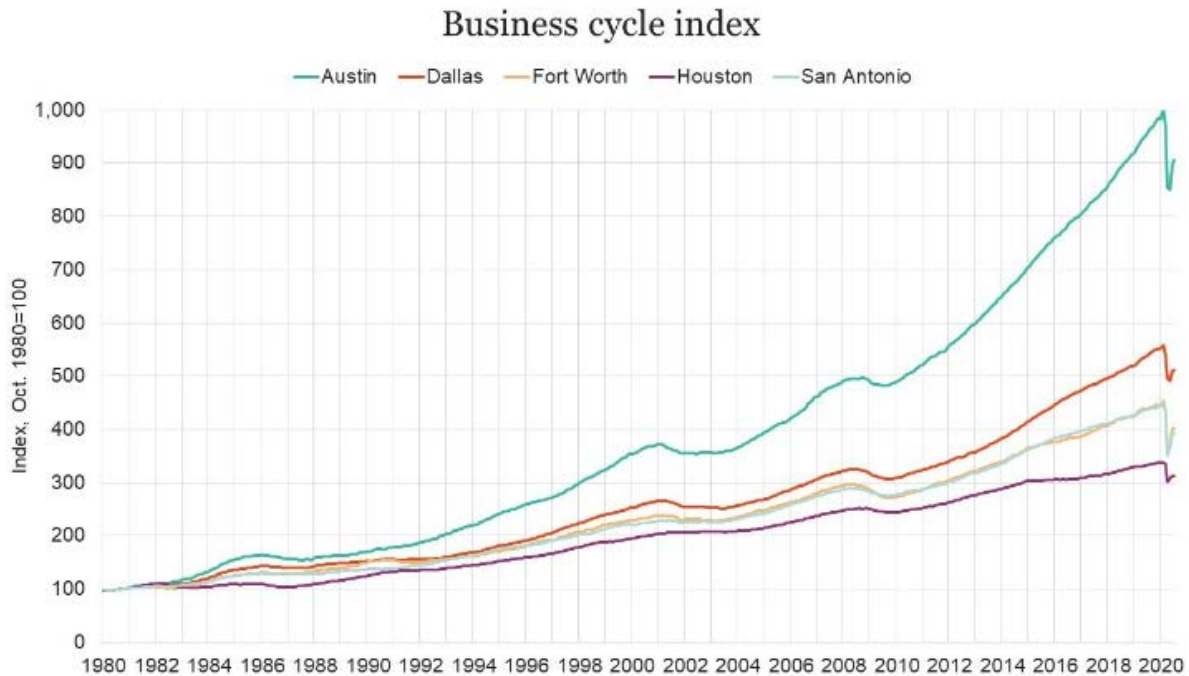

It’s no wonder that Austin is a popular landing spot for corporate headquarters and individuals alike. Austin consistently ranks high across a broad spectrum of studies including:

- No. 1 Best State Capital to Live in – 4<sup>rd</sup> year in a row (*WalletHub, January 2021*)
- No. 1 Tech Town – 2<sup>nd</sup> year in a row (*CompTIA, December 2020*)
- No. 1 Rate of Tech Job Growth in 2020 (*CompTIA, March 2021*)
- No. 1 In Job Growth in Manufacturing and Financial Activities (*E.I.G., March 2021*)
- No. 1 Best College Town Among Large Cities (*WalletHub, December 2020*)
- No. 2 U.S. Market for Real Estate Investment (*PwC & Urban Land Institute, 2021*)
- No. 2 Job Market (*The Wall Street Journal, April 2021*)
- No. 2 Most Polular Destinations for Migrating Home Buyers (*Redfin, September 2020*)
- No. 3 Best Place to Live in the USA (*U.S. News, 2020 - 2021*)
- No. 3 Top Emerging Life Science Clusters in U.S. (*CBRE, October 2020*)
- No. 4 Metro for Number of Inc. 5000 Firms (*Site Selection Investor Watch, September 2020*)
- No. 15 Top 25 Global Innovation Hubs (*Hickey and Associates, December 2020*)

## Economy

Austin's Business-Cycle Index Growth Rate down 9.5% annually marking an end to a full decade of consecutive expansion.

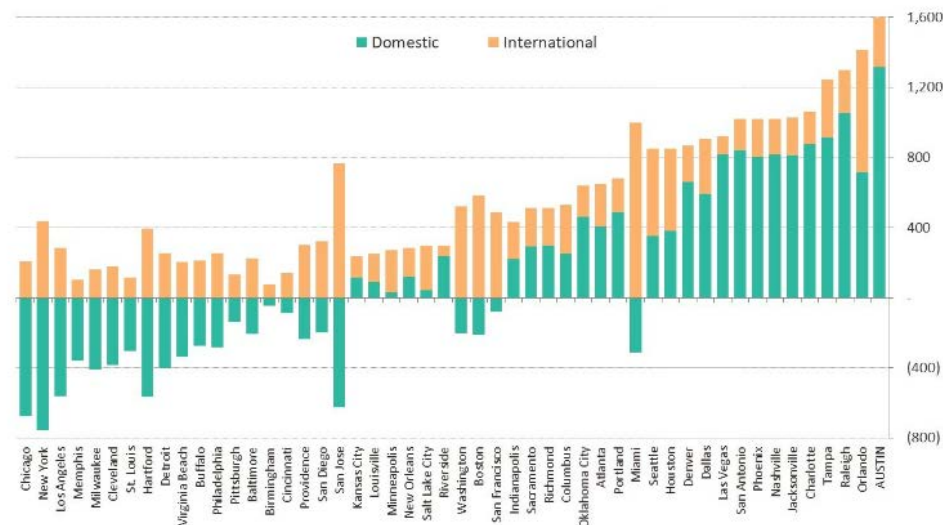

## Population Growth

As the 2020 census continues to be counted and the dust settles from what we hope will be the worst of the pandemic, current and accurate population data is not available. In this case we can look to market indicators help us understand general trends. With the influx of large scale corporate relocations and expansions and the historicly low housing supply one can only assume Austin is contiuning its upward trend in population growth. The charts below provide a decade's worth of perspective on the trajectory of the Texas Capitol's population.

## Net migration per 10,000 population, 2010-2019

10	Texas	Travis County	1,024,444	1,273,954	249,510

Source: U.S. Census Bureau

## Job Growth

Austin has been ranked the number two market for jobs in the U.S. following a two year run at number one, according to The Wall Street Journal. With marquis announcements of the Tesla Gigafactory and the relocation of the Oracle headquarters leading the charge, Austin was able to buck the national trend of job losses securing a position in the top ten best performing MSA's. Leisure and hospitality

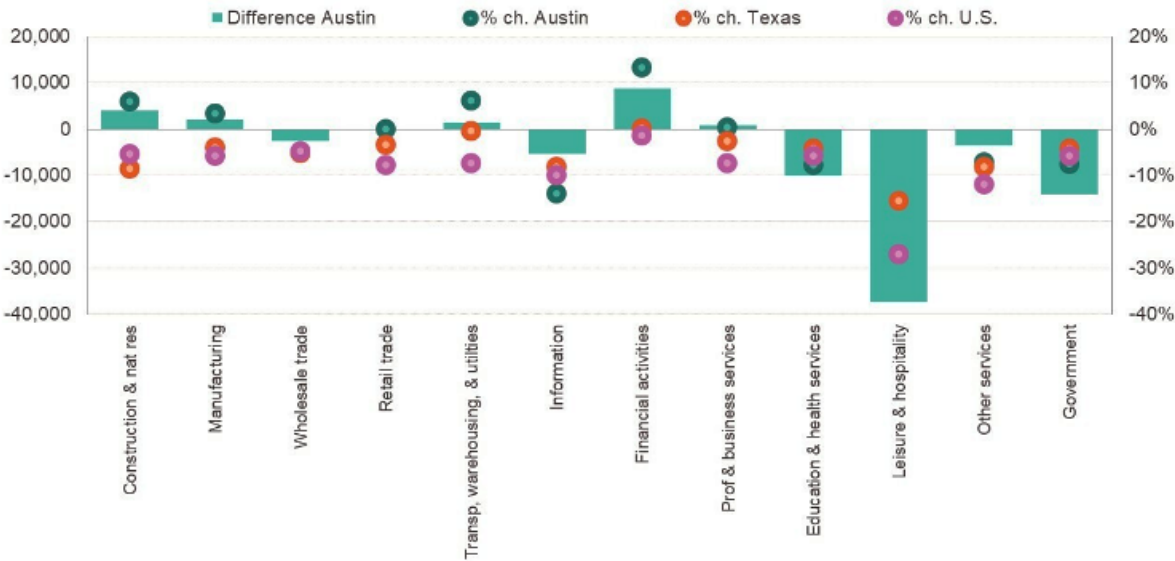

was most affected but also most likely to see a rebound as our ability to congregate once more becomes possible.

### Best performing among the top 50 metros

	Nonfarm payroll jobs		June 2019-June 2020		Rank
	June 2019	June 2020	Difference	Percent change	
Oklahoma City MSA	654,300	636,200	-18,100	-2.8%	1
Phoenix MSA	2,124,200	2,060,500	-63,700	-3.0	2
Dallas MDiv	2,697,000	2,602,400	-94,600	-3.5	3
Jacksonville MSA	717,000	690,000	-27,000	-3.8	4

## COVID-19 Pandemic Timeline

- 12/31/19:** China informs World Health Organization (WHO) about cluster of 41 patients with a strange respiratory illness
- 1/1/20:** **TCAD effective date of appraisal**
- 1/7/20:** China identifies new type of corona virus (Novel Coronavirus)
- 1/11/20:** First recognized death from Coronavirus (19) reported in China.
- 1/13/20:** First recognized coronavirus outside China reported in Thailand.
- 1/20/20:** **First USA case reported in the State of Washington**
- 1/23/20:** China quarantine of Wuhan province occurs, other provinces soon follow
- 1/30/20:** WHO declares global public-health emergency
- 1/31/20:** **US begins travel restrictions of those who have been in China within two weeks of return**
- 2/2/2020:** First death outside China recorded (Philippines)
- 2/11/20:** WHO officially designates virus Covid-19
- 2/19/20:** Outbreak in Iran
- 2/21/20:** Italy outbreak
- 2/29/20:** **First US death reported**
- 3/3/20:** Spain outbreak
- 3/4/20:** **First case confirmed in Texas**
- 3/8/20:** Italy officially orders all residents to shelter in place
- 3/11/20:** **WHO officially declares Covid-19 a pandemic**
- 3/11/20:** Same day US bans all travel from 26 European countries
- 3/13/20:** **Austin, Texas confirms first case**
- 3/13/20:** National emergency declared in US
- 3/17/20:** Leaked federal report indicates virus is expected to last more than 18 months and may have multiple waves
- 3/19/20:** China reports first day of no new cases from locally spread infections
- 3/23/20:** NYC, USA reports 21,000 confirmed cases
- 3/26/20:** USA reaches 82,404 cases, becomes the highest number of cases in the world, surpassing China's 81,782 cases
- 3/31/30:** One-third of the world's population under some form of restriction (shelter in place, official quarantine, lockdown enforced by police or military presence)
- 4/2/20:** 1,000,000 cases worldwide, Spain experiences 950 deaths in single day, the highest rate in any day yet
- 4/7/20:** **US confirmed cases 362,955, Texas cases 7,276, Austin cases 502**
- 4/7/20:** 1,365,000 confirmed cases globally with 996,000 active (292,500 recoveries and 76,500 deaths)

## ACKNOWLEDGMENTS

The preparation of the proposed budget could not have been accomplished without the dedication of the management team of the Travis Central Appraisal District. I would like to express my appreciation to all who assisted in this effort. An acknowledgment to Desiree Palencia, Director of Commercial and BPP Appraisal for preparing the market analysis provided in the introductory section of this budget. Finally, I would like to acknowledge the Chief Appraiser, Marya Crigler, and the Board of Directors of the Travis Central Appraisal District, who have supported the finance staff in our goal of excellence in budgeting, financial management, and reporting.

Should you have any questions about the District's 2022 proposed budget or the budgeting process, I can be reached by phone at (512)834-9317 Ext. 405 or by email at [Lmann@tcadcentral.org](mailto:Lmann@tcadcentral.org).

Respectfully submitted,

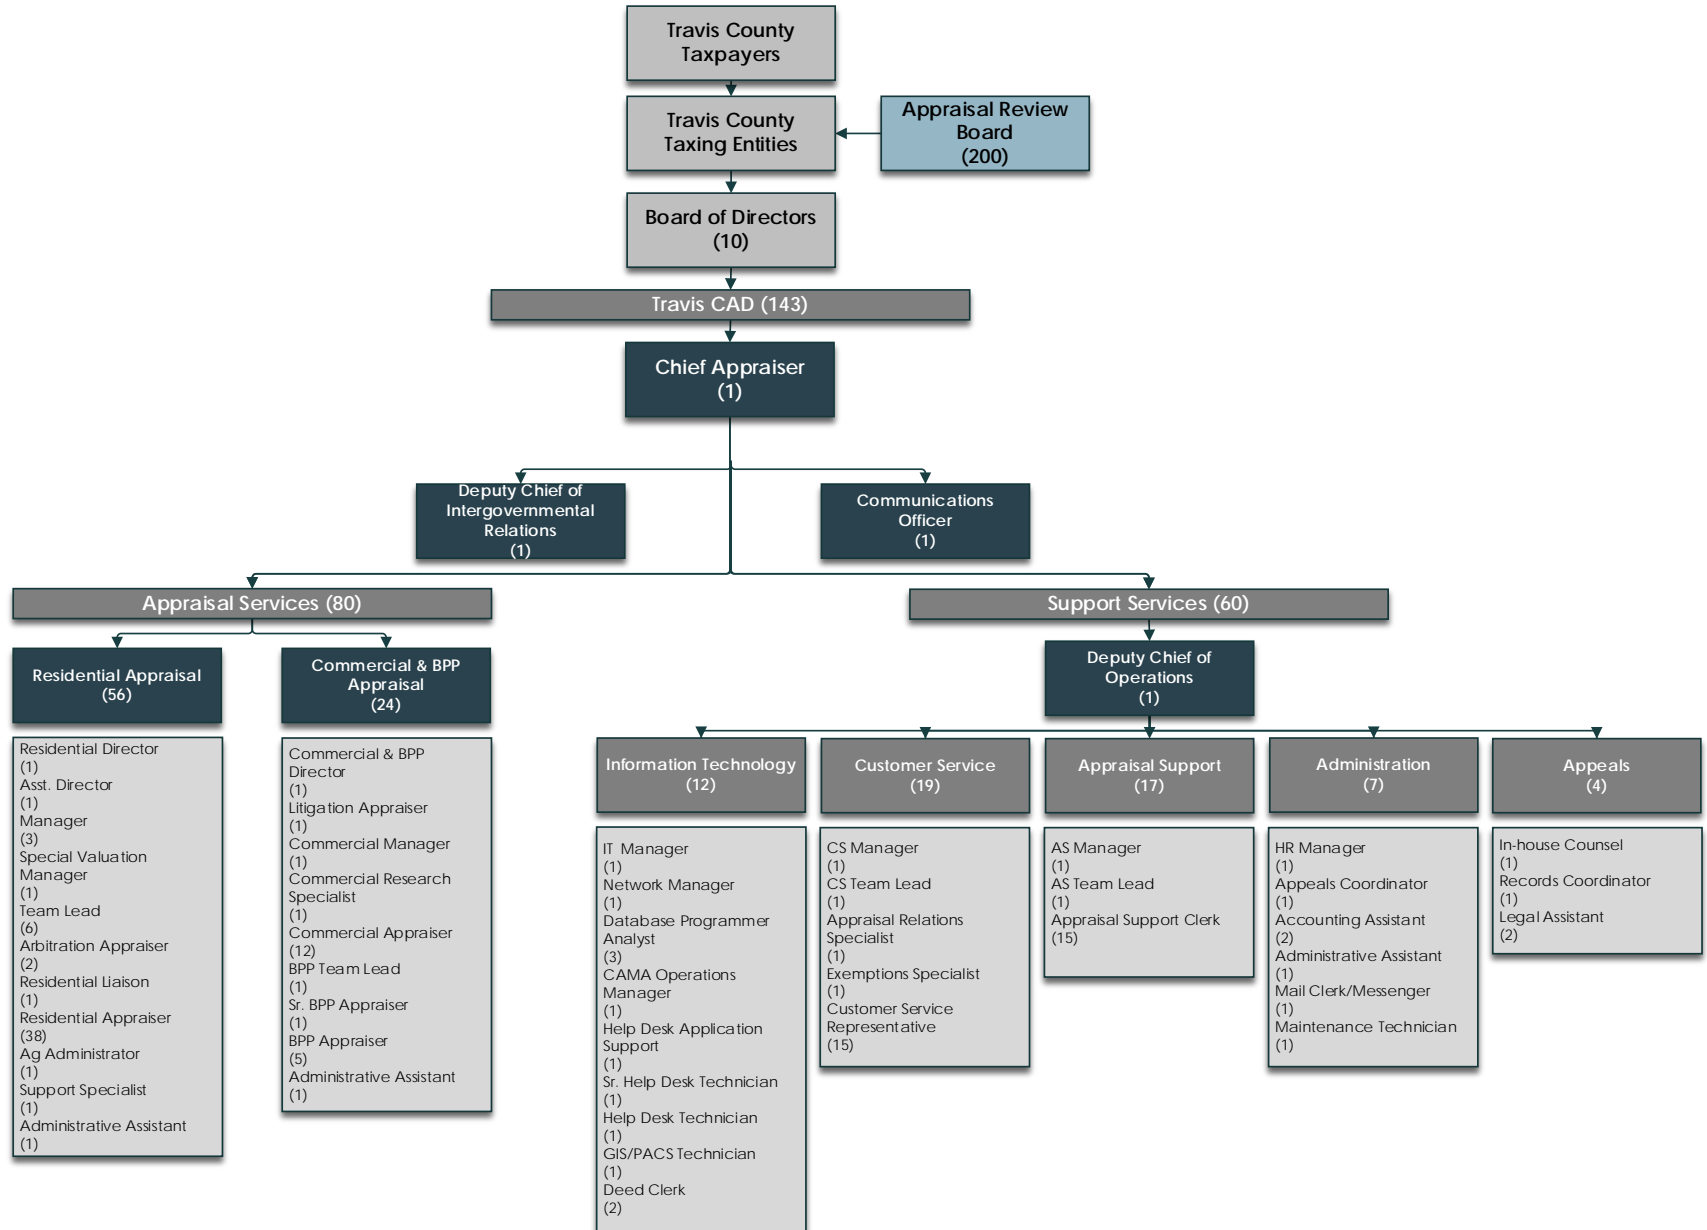

Leana H. Mann, CGFO  
Deputy Chief of Operations  
Travis Central Appraisal District

## Distinguished Budget Presentation Award

The Government Finance Officers Association of the United States and Canada (GFOA) presented a Distinguished Budget Presentation Award to the Travis Central Appraisal District, Texas for its annual budget for fiscal year beginning January 1, 2021. This is the ninth consecutive year that the District has been awarded this prestigious award. In order to receive this award, a governmental unit must publish a budget document that meets program criteria as a policy document, as an operations guide, as a financial plan, and as a communications device.

This award is valid for a period of one year only. We believe that our fiscal year 2022 budget continues to conform to program requirements, and we are submitting it to the GFOA to determine its eligibility for another award.

# Certificate of Achievement for Excellence in Financial Reporting

The Government Finance Officers Association of the United States and Canada (GFOA) awarded a Certificate of Achievement for Excellence in Financial Reporting to the Travis Central Appraisal District for its comprehensive annual financial report (CAFR) for the fiscal year ended December 31, 2019. This was the ninth consecutive year that the District has achieved this prestigious award. In order to be awarded a Certificate of Achievement, a government must publish an easily readable and efficiently organized comprehensive annual financial report. This report must satisfy both generally accepted accounting principles and applicable legal requirements.

A certificate of Achievement is valid for a period of one year only. We believe that our current comprehensive annual financial report continues to meet the Certificate of Achievement Program's requirements and we are submitting it to the GFOA to determine its eligibility for another certificate.

## Award for Outstanding Achievement in Popular Annual Financial Reporting (GFOA)

The Government Finance Officers Association of the United States and Canada (GFOA) presented an Outstanding Achievement in Popular Annual Financial Reporting award to the Travis Central Appraisal District, Texas for its popular annual financial report (PAFR) for fiscal year 2018. The GFOA established the PAFR Program in 1991 to encourage and assist state and local governments to extract information from the comprehensive annual financial report to produce high quality PAFRs specifically designed to be readily accessible and easily understandable to the general public and other interested parties without a background in public finance. This award is valid for a period of one year only. We believe that our fiscal year 2019 PAFR continues to conform to program requirements, and are awaiting the results from the GFOA.

# Budget Overview

## HOW DOES THE PROPERTY TAX SYSTEM WORK?

There are three main parts to the property tax system in Texas:

- An appraisal district in each county sets the value of property each year. A chief appraiser is the chief administrator and operates the appraisal office.
- A citizen board, called the Appraisal Review Board (ARB), hears any disagreements between a property owner and the appraisal district about a property's value.
- Local taxing units—city, county, school and special districts—decide how much money they will spend by adopting a budget. Next, the taxing units set tax rates that will raise the revenue necessary to fund their budgets. The adopted budgets and the tax rates set to fund the budgets determine the total amount of taxes that a person will pay.

The property tax year has four stages: appraising taxable property, protesting the appraised values, adopting the tax rates, and collecting the taxes. The following represents a summary of the process.

1. A large part of each appraisal district's job is to estimate what a property is worth on January 1. What a property is used for on January 1, market conditions at that time, and who owns the property on that date determine whether the property is taxed, its value, and who is responsible for paying the tax. The appraisal district also processes applications for tax exemptions, agricultural appraisals, and other tax relief.
2. Around May 15, the appraisal review board begins hearing protests from property owners who believe their property values are incorrect or who did not get correct exemptions or agricultural appraisals. When the ARB finishes its work, the appraisal district gives each taxing unit a list of taxable property.
3. In August or September, the elected officials of each taxing unit adopt tax rates for their operations and debt payments. Several taxing units tax each property. Every property is taxed by the county and the local school district. A taxpayer also may pay taxes to a city and to special districts such as hospital, junior college, water, fire and other districts.
4. Tax collection starts around October 1 as tax bills go out. Taxpayers have until January 31 of the following year to pay their taxes. On February 1, penalty and interest charges begin accumulating on most unpaid tax bills. Tax collectors may start legal action to collect unpaid taxes on February 1.

## TRAVIS CENTRAL APPRAISAL DISTRICT

The Travis Central Appraisal District was created under the 66<sup>th</sup> Texas State Legislature in 1979 under the provisions of Senate Bill 621 known as the Property Tax Code. The District is responsible for the appraisal of property subject to ad valorem taxation in Travis County, Texas. The District is governed by a board of nine directors serving two year terms, plus a tenth statutorily designated non-voting member who is the County Tax Assessor-Collector. Travis County appoints two board members, Austin ISD appoints two board members, City of Austin appoints two board members, and Austin ISD and City of Austin appoint one board member jointly. The remaining two board members are appointed by a vote of the eastern and western taxing entities within Travis County.

The District was formed in 1981 and formally began operations in 1982, pursuing its mission to provide accurate appraisal of all property in Travis County at one hundred percent of market value, equally and uniformly, in a professional, ethical, economical and courteous manner, working to ensure that each taxpayer pays only their fair share of the property tax burden. As stipulated under the Texas Property Tax Code, the District serves the citizens and taxpayers of Travis County and the taxing entities which lie within Travis County.

Travis County is located in south central Texas astride the Balcones Fault, the boundary between the Edwards Plateau to the west and the Blackland Prairies to the east. Its county seat, Austin, is the capital of Texas. Travis County's population as of July 1, 2020, according to the City of Austin demographer, is estimated to be 1,341,815. The population of the Austin-Round Rock greater metro area is estimated to be 2,307,753. Since the last census in 2010, the population of Travis County has grown by 31.0%.

### Population Growth

## THE PROPERTY TAX CALENDAR

January 1	Appraisal districts are required to appraise property at its value on this date. A lien attaches to each taxable property to ensure property tax payment.
January 1 – April 30	Appraisal districts complete appraisals and process applications for exemptions.
January 31	Taxes due to local taxing units (or county tax assessor, if acting on their behalf).
February 1	Local taxing units begin charging penalty and interest for unpaid tax bills.
April – May	Appraisal districts send notices of appraised value.
May 15	Appraisal review boards begin hearing protests from property owners.
July 25	Appraisal districts certify current appraised values to taxing units.
August – September	Local taxing units adopt tax rates.
October 1	Local taxing units begin sending tax bills to property owners.

## THE ROLE OF THE APPRAISAL DISTRICT

Each Texas county is served by an appraisal district that determines the value of all of the county's taxable property. Generally, a local government that collects property taxes, such as a county, city and school district, is a member of the appraisal district. A board of directors appointed by the member governments presides over the appraisal district.

The appraisal district is considered a political subdivision and must follow applicable laws such as Open Meetings and Public Information Acts. Meetings are generally open to the public and information generated by the appraisal district is, in most cases, also available to the public.

The appraisal district board of directors hires a chief appraiser, approves contracts and sets policies. The chief appraiser is the chief administrator of the appraisal district. The chief appraiser may employ and compensate professional, clerical and other personnel as provided by the appraisal district budget. The chief appraiser's primary duty is to discover, list, review and appraise all taxable property within the appraisal district using generally accepted appraisal techniques.

## PROPERTY TAXES AT WORK

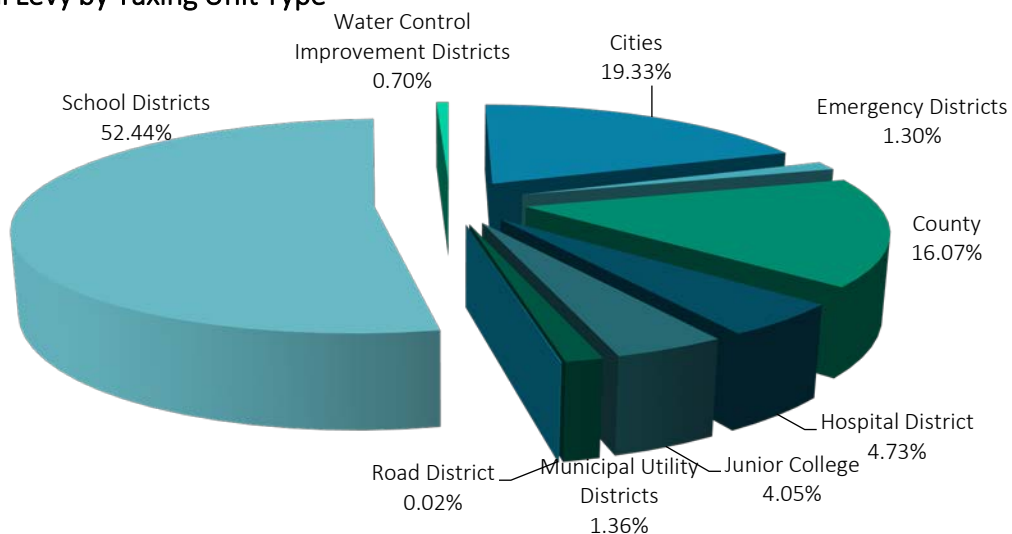

Property taxes are local taxes that are assessed locally, collected locally, and used locally. You pay your property taxes to the local tax collector. The tax collector distributes the funds to schools, cities and other local governments. Local governments spend the funds on schools, roads, hospitals, police departments, fire departments and other programs.

In Travis County property taxes support 132 local government agencies including 21 cities, 17 emergency districts, the county, the hospital district, the junior college, 58 municipal utility districts, 1 road districts, 15 school districts, and 17 water control improvement districts. For 2020 the projected tax levy for all taxing units in Travis County is \$5,115,511,851.

## DISTRIBUTION OF PROPERTY TAXES

Total Levy by Taxing Unit Type

2020 was the tenth consecutive year of appraisal roll growth. All sectors experienced growth.

Year	Total Appraisal Roll	Appraisal Roll in Billions	Change from Prior Year	Percent Change
2001	\$ 76,239,434,155	\$ 76	\$ 11,266,510,651	17.34%

2019	\$ 266,184,989,892	\$ 266	\$ 20,846,783,577	8.50%
2020	\$ 281,851,353,216	\$ 282	\$ 15,666,363,324	5.89%

## ACCOUNTING BASIS AND CONTROLS

### Accounting Basis

The District reports its financial activities as a special-purpose government. Special-purpose governments are governmental entities which engage in a single government program. Like most governments, special-purpose governments present two types of financial statements: (1) government-wide financial statements and (2) fund financial statements.

The government-wide financial statements report information on all of the activities of the District. Governmental activities generally are financed through charges for services and intergovernmental revenues. The statement of activities reflects the revenues and expenses of the District. The government-wide statements are reported using the economic resources measurement focus and the accrual basis of accounting. The economic resources measurement focus means all assets and liabilities (whether current or non-current) are included on the statement of net position and the operating statements present increases (revenues) and decreases (expenses) in total net position. Under the accrual basis of accounting, revenues are recognized when earned and expenses are recognized at the time the liability is incurred.

The fund financial statements provide information about the District's governmental funds. The emphasis of fund financial statements is directed to specific activities of the District. The District reports the *general fund* as a major governmental fund. It is the District's primary operating fund. This fund is used to account for the acquisition and use of the District's expendable financial resources and the related liabilities. The District also reports the 850 EAL Holding Corp. as a major governmental fund. 850 EAL Holding Corp. is a non-profit entity whose primary purpose supports the District. The measurement focus is based on the determination of changes in financial position rather than upon net income determination. Governmental fund financial statements are reported using the current financial resources measurement focus and are accounted for using the modified accrual basis of accounting. Under the modified accrual basis of accounting, revenues are recognized when susceptible to accrual; i.e., when they become both measurable and available and expenditures are recorded when the related fund liability is incurred.

### Basis of Budgeting

The General Fund budget is prepared on the modified accrual basis of accounting, similar to the District's fund financial statements outlined above.

### Internal Controls

To provide a reasonable basis for making its representations, the District's management team has established a comprehensive internal control framework. This

framework is designed to provide reasonable assurance that assets are safeguarded against loss from unauthorized use or disposition, and that accounting transactions are executed in accordance with management's authorization and properly recorded so that the financial statements can be prepared in conformity with generally accepted accounting principles (GAAP). The objective of the internal control framework is to provide reasonable, rather than absolute, assurance that the financial statements are free of any material misstatements. The concept of reasonable assurance recognizes that: (1) the cost of a control should not exceed the benefits likely to be derived; and (2) the evaluation of costs and benefits requires estimates and judgments by management. The design and operation of internal controls also ensures that all funds are expended in compliance with applicable laws and regulations.

All internal control evaluations occur within the above framework. During the fiscal year ended December 31, 2020, the District reviewed its internal controls. I believe that the District's internal controls adequately safeguard assets and provide reasonable assurance of proper recording of financial transactions.

## FINANCIAL POLICIES & PROCEDURES

The Travis Central Appraisal District (the District) financial policies compiled below encompass the basic framework for the overall financial management of the District. These policies assist the Board of Directors and management with decision-making and provide guidelines for evaluating both the current and long-range financial activities. They are reviewed annually in conjunction with the budgetary process to verify continued applicability and benefit to the District.

The primary objectives of the policies are to provide accountability for cost-effective stewardship of taxpayers' funds through fairly presented financial statements supported by full disclosures.

### **Revenue Policy**

1. **Revenue Recognition-** Revenues shall be recorded on the modified accrual basis of accounting. Under the modified accrual basis of accounting, revenues are recognized when susceptible to accrual; i.e., when they become both measurable and available.
2. **Daily Deposits-** In accordance with this finance policy, the District shall require weekly deposits of receipts only when the moneys on hand amount to at least \$1,000. Any funds not immediately deposited shall be appropriately safeguarded in a locked file cabinet in the Finance Director's office.
3. **Monitoring Revenue-** District finance staff shall monitor revenues as billed and collected and shall report to the Board of Directors no less than quarterly on any past due or uncollectible amounts.

4. **Authority-** The Finance & Facilities Director shall be responsible for designing, implementing, monitoring, and amending as necessary, accounting procedures, including internal controls, for the billing, recording, and reporting of all revenues of the District in compliance with Generally Accepted Accounting Principles (GAAP) and applicable state laws. Any changes to revenue procedures shall be reported to the Board of Directors at their next regularly scheduled meeting.

### *Cash Disbursement Policy*

1. **Centralized Purchasing-** The District will operate under a centralized purchasing concept.
2. **Payments-** Local governments and state agencies are required to pay all bills owed within 30 calendar days. The District adheres to this requirement. Any deviations from this requirement are reported to the Chief Appraiser.
3. **Monitoring-** District finance staff shall monitor cash disbursements and report to the Board of Directors at each regularly scheduled meeting all capital asset purchases and any purchases over \$50,000. Specific purchasing limitations are outlined in the cash disbursements section of this finance policy.
4. **Authority-** The Director of Operations shall be responsible for designing, implementing, monitoring, and amending as necessary, accounting procedures including internal controls, for the requisitioning, purchasing and cash disbursement functions of the district in compliance with Generally Accepted Accounting Principles (GAAP) and applicable state laws. Any change to cash disbursement procedures shall be reported to the Board of Directors at their next regularly scheduled meeting.

### *Operating Budget Policy*

1. **Planning:** The District will prepare a five-year operating budget projection annually, which will include projections of expenditures for the next five years.
2. **Performance Measures:** The District will integrate performance measures and productivity indicators into its budgetary process whenever feasible.
3. **Periodic Reporting:** The Director of Operations shall present budget-to-actual financial reports to the Board of directors monthly (or at each board meeting) and bi-weekly to the Chief Appraiser.
4. **Balanced Budget:** The District shall submit a balanced budget wherein budgeted expenditures shall equal budgeted jurisdiction appraisal revenues.

## ***Asset Management and Capital Improvement Policy***

1. **Planning for Operational and Maintenance Costs:** The District shall utilize an equipment replacement schedule to plan major operational and maintenance asset acquisitions on a systematic, comprehensive, and entity-wide basis.
2. **Asset Condition:** The District will maintain all assets at a level adequate to comply with all regulatory requirements and to minimize future replacement and maintenance costs.
3. **Planning:** The District will annually update a ten-year capital improvement program, identifying and describing each capital project along with the estimated cost.
4. **Capitalization:** The District will capitalize all asset cost which are \$1,000 or more and whose useful life is more than one year.
5. **Reporting:** The District will provide reports of expenditures by project to the Board of Directors no less than quarterly.

## ***Cash Management and Investment Policy***

1. **Written Policy:** The District's investment policy must be written and in compliance with all applicable state and local laws. The policy must be reviewed on an annual basis by the Board of Directors and approved through a resolution.
2. **Objectives:** The primary objectives of investment activities, in priority order, shall be preservation of principal, liquidity, and yield.
3. **Periodic Reporting:** The District shall provide monthly investment reports to the Board of Directors.
4. **Treasury Services:** The District shall prepare a Request for Proposal (RFP) for banking services every 2 years, with the option to renew the contract for an additional 2 years.

## ***Accounting Policy***

1. **Authority for Accounting Procedures:** The District will establish and maintain the accounting system according to Generally Accepted Accounting Principles (GAAP) and all applicable state and local laws.
2. **Annual Audit:** An annual audit will be performed by an independent public accounting firm, which will issue an official opinion on the annual financial statements, and a management letter indicating any suggestions for improvement or areas of concern.
3. **Transparency:** Full disclosure will be provided in the financial statements.

4. **Financial Report:** The District shall prepare a comprehensive annual financial report (CAFR) upon completion of the financial audit, which will be submitted to the Government Finance Officers' Association (GFOA) for the Certificate of Achievement for Excellence in Financial Reporting award.

### ***Accounting Reserves Policy***

1. **Source of Resources:** There shall be deposited, into specific general fund reserve funds, contributions from the general fund in amounts determined by the District Board of Directors.
2. **Operation of Fund:** The budget submission for each year shall include a recommendation for a general fund contribution to established general fund reserve funds. Prior to the end of each fiscal year, the District will prepare a report of any estimated surplus funds. If the Board of Directors decides to do so, a budget amendment will be prepared and approved by the Board of Directors. This budget amendment may allocate any general fund surplus funds to specific general fund reserve funds.
3. **Fund Manager:** The Director of Operations shall administer all general fund reserve funds within the financial management system, and shall serve as the reserve fund manager.
4. **Reporting:** A report of available reserve fund balances shall be presented to the Board of Directors quarterly at a regularly scheduled board meeting. Per GASB No. 54, all established reserves for the District will be treated as a committed fund balance and will be transfer to the designated fund through approval by the District's Board of Directors.

## **BUDGET PROCESS & PROCEDURES**

The District is provided strict guidelines on the budgeting process in the Texas Property Tax Code. This information can be found in Chapter 6.06 of the Texas Property Tax Code and in the appendix of this report. A brief overview of the budgeting process is provided below.

The District begins its annual budgeting process in February. The District prepares an annual budget for the General Fund only. Discussions are held with the Chief Appraiser, the Finance Director and the department directors to discuss what the department's budget needs are for the upcoming fiscal year. Once this information is gathered, the Finance Director prepares the proposed budget based on the Chief Appraiser's directives. In May, the District may hold a budget workshop with the Board of Directors, the Chief Appraiser and the Finance Director where the budget is looked at in-depth. The District must send the proposed budget to the presiding officer of each taxing unit no later than June 15<sup>th</sup>.

During this budget workshop, the board of directors makes suggestions along with any taxing units that come to the meeting to discuss the proposed budget. The District then takes the budget and revises it to include the changes made at the meeting.

The District must hold a public hearing to adopt the proposed budget no later than September 15<sup>th</sup>. The District must send a notice of the public hearing to the presiding officer of each taxing unit no later than 10 days before the board of director's meeting where the budget will be adopted. The secretary of the board must also post the notice of the public hearing in the county newspaper. The District posts this information in the Austin American Statesman. The budget must be adopted no later than September 15<sup>th</sup>.

Once the General Fund budget is adopted, the taxing units have 30 days to file a resolution with the Board of Director's secretary to disapprove the budget, if they deem necessary. If governing bodies of a majority of the taxing units entitled to vote on the appointment of board members adopt resolutions disapproving the budget and file them with the secretary of the board within 30 days after its adoption, the budget does not take effect, and the board shall adopt a new budget within 30 days of the disapproval.

All budget amendments must be presented to the taxing units 30 days prior to the meeting where the board is set to approve the amendment. A budget amendment changes the final amount due from the taxing unit. The District can make line item transfers without notifying the taxing units. The Chief Appraiser has the authority to approve or disapprove any line item transfers. All line item transfers are then presented to the board for approval. Budget line item transfers do not change the final amount of the budget, but simply move budgeted funds from one natural expenditure category to another. Budget line item transfers do not require any additional funds from the taxing units and they do not change the amount of any surplus credited to the jurisdictions at year end.

## STRATEGIC PLANNING

The Travis Central Appraisal District (The District) established a Strategic Plan, referred to as a Three Year Plan, to outline the activities and operations of the District from year to year in anticipation of future projects, funds and resources, technology, legislative changes, and capital improvements.

This Strategic Plan will be reviewed each year to monitor the completion of the tasks outlined and to add another year to the ongoing plan. This will help the District to prepare for the future in an effort to anticipate changes within the appraisal environment. Management staff personnel will be responsible for the development of this plan and will ensure its viability in the tasks that the District is charged.

The Strategic Plan will address five major issues:

- 1) Future Projects
- 2) Funds and Resources
- 3) Technology
- 4) Legislative Changes
- 5) Capital Improvements

The Strategic Plan will become a tool for the final development of the District's Annual Management Plan.

This strategic plan addresses the following key strengths, weaknesses, threats and opportunities for the Travis Central Appraisal District. The SWOT analysis began by conducting an inventory of internal strengths and weaknesses within the appraisal district. The strategic team noted the external opportunities and threats that may affect the organization, based on the economic market and the overall environment. The primary purpose of the SWOT analysis is to identify and assign each significant factor, positive and negative, to one of the four categories, allowing the strategic team to take an objective look at the appraisal district operations. The SWOT analysis is a useful tool in developing and confirming goals, objectives, strategy.

Strengths:

- Strong management team
- Strong support from sixty-one taxing entities served by the District
- Strong base for recruitment of qualified staff
- Very focused management/staff
- Experienced and proven management and supportive Board of Directors

Weaknesses:

- Uncertain economic conditions affecting property valuations
- Economic climate of the cities, school districts, county, and special districts
- Retention of qualified staff personnel

Opportunities:

- Technology advancement can streamline business operations
- Increased efficiencies will result in stronger credibility and support

Threats:

- New technology advancements may become too costly
- Economic slowdown could reduce proper funding
- Economic situation could upturn and resources could be limited

Strategic Goal	Planning Goal	Objective	Outcome Measure	Strategy	Output Measure	Efficiency Measure	Responsible Department
Develop appraisals that reflect market value and ensure fairness and uniformity.	Make better utilization of ratio studies when developing market appraisals.	Analyze ratio study statistics by neighborhood and school district weekly during valuation and equalization phases in 2017/2018, and guarantee that sales ratio median levels and weighted mean are between 97 and 102 and COD are between 5 and 15.	Median sales ratio  Weighted mean sales ratio  COD	Maintain an ongoing program of audit and verification activities in support of improved appraisal levels	Number of sales qualified Number of neighborhood profiles created Number of school district's reviewed	Number of property protests Number of value reductions	Residential Appraisal  Deputy Chief of Appraisal
	Improve accuracy and reduce value changes to 5% or less.	Create evidence packets to be used at both informal and formal level that support District values and require a higher standard of evidence for informal changes. Train staff to make clear and	Reduction in value changes at informal and formal by 50% from 11% average to 5% or less.	Staff training on defending appraisal values and standards of evidence	Percent value change	Number of property protests Number of value reductions	Residential Appraisal
	Improve quality and consistency of land values of lake front property	Correctly identify all lake front property to include lake cove and lake views and consistently apply appropriate land unit prices and modifiers.	Reduction in value formal challenges of land equity on lake front property.	In conjunction with field inspections, utilize aerial photography to identify lake front, lake cove and lake view properties. Utilize GIS mapping and analysis to ensure consistent land values.	Uniformity in COD measures of specific ratio studies	Number of land values updated Number of property protests based on equity	Residential Appraisal
	Update cost tables of main area and details.	Create a program to regularly update cost tables based on nationally recognized publications adjusted for local economic conditions.	Timely and accurate cost tables	Staff training on use of national publications used to develop cost approach appraisals. Create benchmark properties and test developed cost schedules against researched local cost information. Test land value assignments through allocation by abstraction against researched land values. Create specific procedure manual to document steps taken to update and test cost tables.	Accuracy of cost approach appraisals compared to researched local development costs.	Number of cost tables updated	Residential Appraisal
					Lower market segment adjustments	Number of benchmark properties tested	Commercial Appraisal
	Software enhancements	Work cooperatively with software vendor True Automation and other PACS metro appraisal district clients to enhance the software to provide greater appraisal and analysis capabilities.	Increased functionality in the PACS software modules	Create a coalition of PACS metro appraisal district clients to leverage the group dynamics to push for focus on Texas clients from True Automation. Schedule and hold quarterly meetings with the metro clients and True Automation decision makers to focus on the common needs of the metro appraisal districts, and enhancements required to complete appraisal tasks and meet legislative requirements.	Co-development commitments from metro clients and True Automation and group consensus on enhancement priorities	Number of co-development projects approved Number of software requirement documents written and approved Number of enhancements included in each software release	Information Technology  Chief Appraiser  All Department Directors

Strategic Goal	Planning Goal	Objective	Outcome Measure	Strategy	Output Measure	Efficiency Measure	Responsible Department
Be efficient in business processes and ensure that mission critical tasks are completed in a timely manner with a high level of accuracy.	Complete the top three mission critical tasks ahead of schedule.	Ensure that mission critical tasks of notices, certification and PTAD studies are completed at minimum one to two weeks prior to statutory deadline.	Percent of accounts noticed at each run date  Certification level of 90% as of July 18. Local Value Findings or Exceeds Standards finding	Improve Compliance by establishing formal plans, timelines, benchmarks, and monitoring programs to ensure that deadlines are met. Increase individual accountability	Completion date of mission critical tasks	Number of notices mailed at each run date Number of protests completed	All Departments
	Complete protest as soon as possible after certification.	Ensure that all protests are completed as soon as possible after certification to shift the annual calendar of events and provide more time to appraisal staff to perform discovery and valuation tasks. Increased time to perform discovery and valuation should result in higher accuracy in the appraisal roll and fewer protest protests.	Earlier start to discovery and valuation cycles	Select a target date of completion and communicate the date and objective with staff, ARB and agents. Maintain consistency in scheduling of protests hearings to ensure that protests are completed by the target date	Date of completion and percent of open protest	Number of informal hearings held per day Number formal hearings per day	Commercial Appraisal  Residential Appraisal
	Complete fieldwork and eliminate field work overlap with valuation cycle	Ensure that all field inspections have been completed and that the data entry of the field cards has been completed by February 1	Timely start to valuation cycle	Develop a documented work plan to identify the scope of field work to be completed, evaluate field inspection productivity tasks times and develop a field work plan that recognizes the man hours available for the project. Work plan should include refresher training for appraisers to ensure that work in completed in an accurate manner as well as communicating to the appraisers work productivity expectations. Completion benchmarks should be established to evaluate progress. Regular meetings to ensure progress. Accountability	Timely start to valuation cycle	Number of field inspections per day Number of field cards processed per day	Commercial Appraisal  Residential Appraisal
	Complete valuation cycle and reduce the number of properties in NOAV runs after April 1st	Ensure that properties are valued and notices are sent in the first NOAV run to be completed between April 1 and April 15	Fewer than 5% of properties noticed in subsequent NOAV runs	Develop a documented work plan of valuation tasks to be completed. Work plan should include research and confirmation of sales data, review of neighborhood designations, assign senior staff to lead valuation teams and include refresher training for appraisers to ensure that work in completed in an accurate manner as well as communicating to the appraisers work productivity expectations. Completion benchmarks should be established to evaluate progress. Regular	Percent of properties noticed with each NOAV run	Number of neighborhood profiles completed each week	Commercial Appraisal Residential Appraisal
	Complete homestead exemption processing within 30 days of receipt of application	Lack of taxpayer compliance with new homestead documentation requirements has become an obstacle to timely processing of the exemptions. Provide more information and alerts to taxpayers to ensure that the appropriate documents are include with the application	Fewer than 5% of exemptions processed after 30 days of receipt	Create additional insert to be included with homestead application reminding taxpayers of the new documentation requirements. Custom print return envelopes with a reminder on back of envelope to include additional documentation. Add additional information on website FAQ reminding taxpayers of additional requirements and create online video detailing requirements.	Percent of exemption application s processed on first receipt	Number of additional documenta tion letters mailed to taxpayers Number of exemption application s processed	Customer Service

Strategic Goal	Planning Goal	Objective	Outcome Measure	Strategy	Output Measure	Efficiency Measure	Responsible Department
Collect, create and maintain accurate data.	Field work quality control	Ensure that consistent procedures are followed by all staff and that careful review and consideration is given to each tax parcel appraised	Percent of field card returned for corrections  Percent of accounts requesting 25.25(c) or (d) corrections  Accuracy of sales ratio studies	Improve quality of data collection by updating procedure manuals' and training staff in procedures, performing quality assurance checks on returned field work, using GIS and other tools for data validation and holding staff accountable for errors discovered	Number of field cards processed  Number of errors identified	Average time to process field work	Commercial Appraisal  Residential Appraisal
	Neighborhood cleanup	Ensure that neighborhoods are appropriately defined and identified and address population and sample size issues caused by over stratification	Reduction in the number of neighborhoods and increased performance in sales ratio studies	Develop procedures for the definition of neighborhoods and ensure consistent application of the procedures. Procedures should identify characteristics to be considered in the creation of neighborhoods and establish population minimums. Existing neighborhoods of insufficient population size should be combined where practicable. Procedures should also define a plan for annual review of neighborhoods	Number of neighborhoods with insufficient population and sample size	Number of neighborhoods reviewed	Residential Appraisal
	Property classification	Ensure that property classifications are uniform and consistent, and that procedures are followed by all staff and that careful review and consideration is given to each tax parcel appraised	Percent of field card returned for corrections  Percent of accounts requesting 25.25(c) or (d) corrections  Accuracy of sales ratio studies	Review existing property classification guides to determine applicability in current mass appraisal models and modify classification guide as necessary in context with model and cost tables developed. Create detailed standards manuals for the classification of property. Conduct annual training with appraisers and utilize aerial photography and GIS for data validation and to ensure consistent application of standards and procedures. Develop work plan for quality assurance of property	Percentage of properties incorrectly classified	Number of properties classified  Number of properties classification corrected by manager	Commercial Appraisal  Residential Appraisal
	Sketch Verification	Ensure that improvement size based on property sketches matched actual building footprint	Increased accuracy and consistency in property sketches and area calculations	Utilize aerial photography and GIS to overlay existing improvement sketches on top of current orthophotography to identify improvements where the sketch dimensions are incorrect or where property additions have been missed	Percentage of properties with size corrections	Number of sketches pinned to map  Number of changes or inspections identified	Residential Appraisal  Appraisal Support

Ensure that the District maintains a highly educated, motivated and skilled workforce.

Strategic Goal	Planning Goal	Objective	Outcome Measure	Strategy	Output Measure	Efficiency Measure	Responsible Department
	Increase training opportunities	Ensure that district staff receives sufficient training in their mission critical duty skills to include customer service, exemption administration, programming and technology, record maintenance, mapping, and basic and advance training in appraisal theory and practice. In addition to attaining Registered Professional Appraiser.	Increased number of appraisal staff with RPA, IAAO, AI certifications	Increase training budget for external courses and provide more internal training opportunities	Percentage of employees attaining certifications	Number of classes attended Number of internal training sessions offered Number of certifications awarded	All Departments
	Management training	Provide management training program to increase effectiveness and efficiency of managers	Increased ability of managers to create functional teams, manage projects, meet deadlines, and handle employee relations	Provide internal training on the following topics: Systems thinking, project management, delegating, teamwork, motivating staff, effective feedback, documenting discipline, and dealing with conflict		Number of internal training sessions Number of projects completed Number of employee coaching's	All Management
	Cross departmental training	Create a knowledgeable workforce that can assist each other and taxpayers without "governmental shuffle" by providing cross departmental training so that staff may answer basic questions and, if not able to answer, will be able to re-direct questions to the	Increased knowledge and understanding by staff of all phases of appraisal cycle, responsibilities, and district procedures and policies	Provide opportunities for related departments to cross train staff to create a greater understanding amongst staff of the full requirements of the appraisal district and how each division plays a role. Newly hired staff should spend at minimum one week on Customer Service and GIS divisions. Clerical staff should go out in the field with appraisers to understand the field	Decreased the number of tasks and taxpayers transferred between departments		All Departments
	Employee retention	Ensure that the district is able to retain long term employees that have developed a lot of institutional knowledge and skills	Increased average length of employments and increase percentage of skilled workers retiring from the district	Review employee salaries and benefit packages to ensure that the district can remain competitive in the market. Benefits would include retirement packages, health insurance, and sick and vacation time. Review employee reward and recognition programs such as service awards and district sponsored morale events. Explore non-monetary rewards such as flexible work schedule and telecommuting		Tenure of employees leaving district service	All Departments
	Successful planning	The population of the senior management is aging and several division directors in key positions are currently, or soon will be, eligible for retirement. Efforts first must be made to retain these employees as long as possible; however, the decision to retire is a personal choice and should be respected and treated with dignity. Regardless of retirement status institutional knowledge from key employees needs to be documented and transferred to the next generation of leaders	A well informed and trained staff ready to assume leadership responsibilities	Directors and managers should document annual work plans which include tasks and deadlines that may not be included in departments general procedure manuals. Directors should identify staff with leadership potential and offer mentoring and training opportunities that will allow theses staff members to become prepared to assume leadership responsibilities in the future	Documented work plans		All Departments
	Technology and facilities	Provide employees an appropriate work environment with adequate equipment and space to work efficiently		Create an equipment replacement schedule to ensure employees are given current technology and are able to work efficiently as possible. This schedule includes servers, SAN, network equipment, workstation, and peripheral equipment and software replacement. Employee workstations and office productivity software are scheduled to be replaced in 2013 and servers are scheduled for replacement in 2014. District facilities were remodeled in 2009-2011 to provide ergonomic cubicle furniture; however, there is limited space for additional	Documented work plans	Number of PCs replaced	Information Technology  Administration

Strategic Goal	Planning Goal	Objective	Outcome Measure	Strategy	Output Measure	Efficiency Measure	Responsible Department
Provide customer service that is courteous, professional and accurate.	Emphasize customer service	Providing excellent customer service should be a recognized goal of every employee in the district	Percentage of surveyed customers expressing overall satisfaction with services received	Improve services delivered to our internal and external clients through employee training. Annual and mandatory training for all staff in customer service shall be conducted. Employees will be informed of expectations and phone calls, meetings and protest hearings will be audited by	Number of customer complaints and compliments received	Number of customers assisted	All employees
	Measure customer service feedback	Attain highest rating possible from those we serve as evidence by feedback provided through interviews, surveys, cards, letters or any other measuring device used in the agency	Percentage of surveyed customers expressing overall satisfaction with services received	Customer service cards will be placed at the reception desk in each departments and customers will be encouraged to complete the surveys. The cards will be designed to measure the type of assistance (phone, online, at office), who the customer interacted with (customer service representative, appraiser...) and the level of satisfaction with the staff	Number of customers surveyed Number of customers served		All employees
	Provide additional online resources to taxpayers	Provide information and resources to taxpayers that will be educational and convenient	Percentage of surveyed customers expressing overall satisfaction with services received	Improve services delivered to our internal and external clients through the districts website, to include; better mapping and property search functionality, ability to file renditions, homesteads and fiduciary online, providing notices of appraised value, improved online protests including rescheduling capabilities, and a series of informational videos covering topics such as homestead applications, mass appraisal procedures, field inspections, and property protests	Percentage of customers getting information from website rather than phone call of office visit		Information Technology

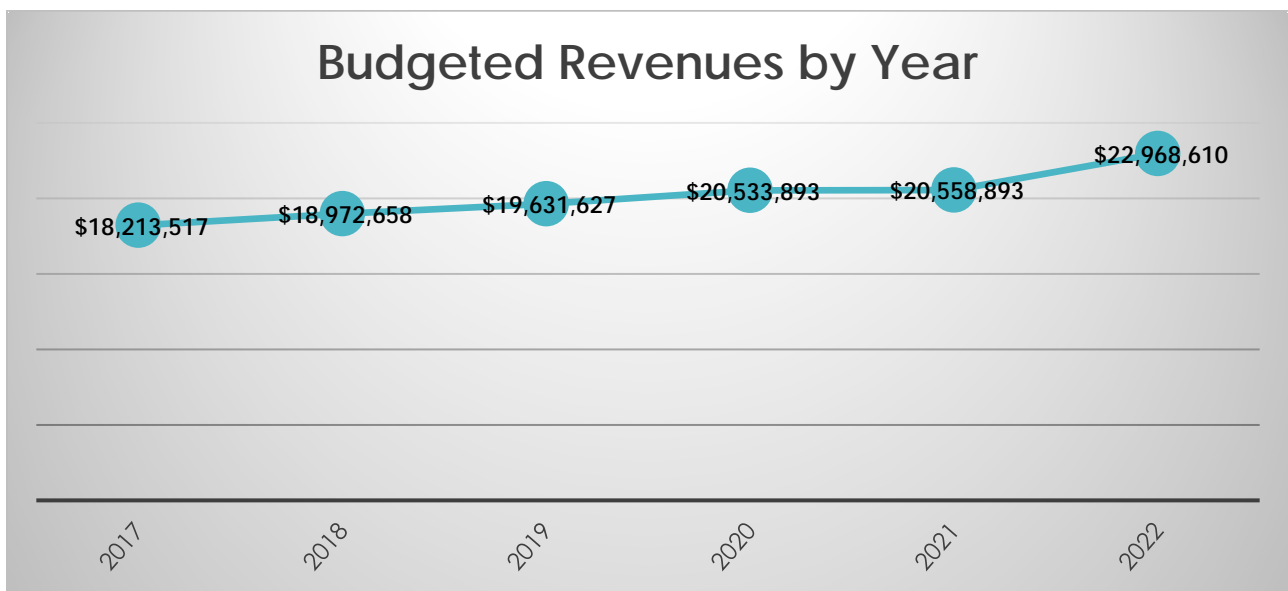

## REVENUE BUDGET

The revenue budget for fiscal year 2022 is \$22,968,610. Since the District uses a balance budget policy, budgeted assessments to the taxing units must equal budgeted expenditures. Budgeted assessments to the taxing units and budgeted expenditures both total \$22,786,110. The additional \$182,500 in the revenue budget is for miscellaneous income. This is income that the District is allowed to keep from year to year for charges for services, investment income, and other miscellaneous income items.

If the District has a surplus of revenues over expenditures from the preceding year's budget, the District must reduce the current budget allocation to each taxing unit proportionately for the year that the surplus is from. This is shown as a refund of appraisal assessments and is a contra revenue account, which consequently reduces budgeted revenues required by the taxing units for that fiscal year. For fiscal year 2021, the District does not expect to have any surplus funds credited back to the taxing units.

The table and graph on the following page show the total budgeted revenues by source for the fiscal year 2022 budget and the previous five years' budget history.

Revenue Budget History FY 2017-2022						
	2017	2018	2019	2020	2021	2022
	Adopted	Adopted	Adopted	Adopted	Adopted	Proposed

## Expenditures by Category

- Personnel Cost
- Benefit Cost
- Printing & Mailing Services
- Operating Supplies
- Subscriptions & Data Purchases
- Training & Education
- Travel Expenditures
- Utilities
- Legal Services
- Professional Services
- Insurance
- Aerial Photography
- Rentals
- Building & Equipment Maintenance
- Software Maintenance
- Other Services
- Capital Equipment
- Debt Administration

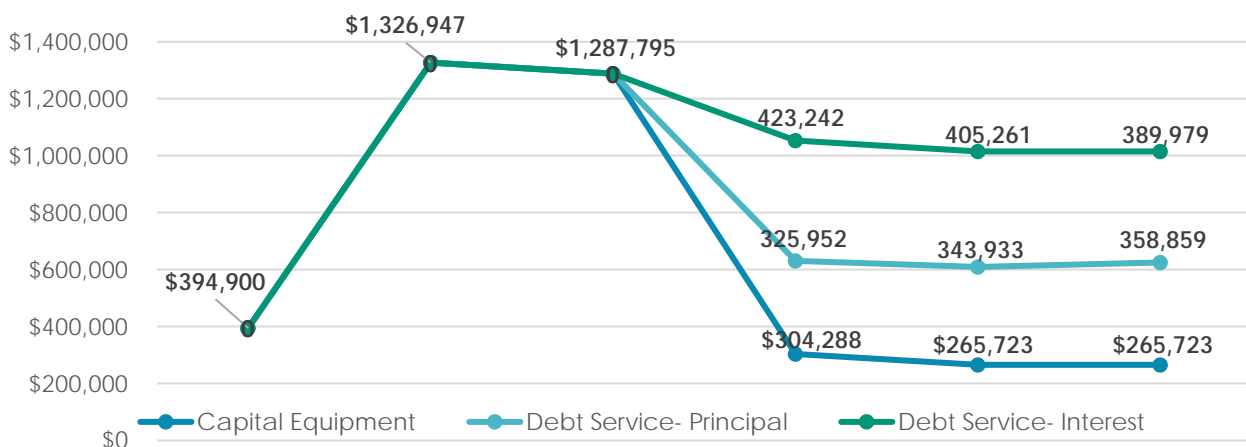

Three general ledger accounts combine to make the capital expenditures category and debt administration categories: (1) capital equipment, (2) debt service-principal, and (3) debt service- interest. Capital equipment is any fixed asset whose cost is over the capitalization threshold and has a useful life greater than one year. The District has established a capitalization threshold of \$1,000 or more. Under the modified accrual basis of accounting, capital equipment is expensed in the period in which it is purchased. When preparing government-wide financial statements, adjusting entries are made to account for the depreciation of capital equipment, since the government-wide statements use the full accrual basis of accounting.

Debt service principal and interest are treated similarly to the capital equipment account. Under the modified accrual basis of accounting, all debts should be expensed in the period that they are incurred. However, debt is typically a long-term liability and must be adjusted when converting to the government-wide statements, which use the full-accrual basis of accounting.

The table and graph below outline the capital expenditures & debt category for the fiscal year 2022 and the previous five fiscal years' budget histories.

<i>Capital Expenditures &amp; Debt Administration FY 2017-2022</i>						
	2017 Adopted	2018 Adopted	2019 Adopted	2020 Adopted	2021 Adopted	2022 Proposed

Capital Equipment	265,723	22,265	243,458	1093.46%

### PERSONNEL COST

#### SALARIES

The current Legislature has proposed many changes related to property tax administration.

Senate Bill 63 will impose a slew of new deadlines for action on exemption and special appraisal applications. To meet those deadlines, additional staff will be required to determine within 30 days whether more information is needed from the property owner and provide a detailed response if the application is denied. Additional notice and reminders of formal hearing dates will reduce the number of no-shows and increase workload. The bill also establishes an October deadline for completion of all protests, reinforcing the need for the District to have the appraisers necessary for the ARB to work efficiently.

House Bill 988 creates a binding arbitration process to resolve claims of a procedural violation by the Appraisal Review Board or the District. The omnibus appraisal bill also limits the ability for the CAD to send corrected NOAV, requires account creation and/or consolidation at the owner's request, increases reporting requirements, dictates that additional information be included in board orders, provides electronic board order delivery, mandates informal

settlement conferences and codifies the single-member ARB panels that some appraisal districts tried during the pandemic.

The combined effect of the numerous process changes in these and other bills will substantially increase the workload for District staff. This is in addition to the additional workload the District has undergone over the last ten years as outlined in the executive summary. In order to continue meeting our mission critical tasks, the District is proposing adding 15 new positions to the 2022 budget, a net change of 14 FTEs. This increase in FTEs would bring the total positions from 129 in the 2021 budget to 143 in the 2022 proposed budget, a 10.85% increase in FTEs.

Proposed New Positions		
Department	Position	Count
Customer Service	Customer Service Team Lead	1
Customer Service	Customer Service Representative	1
Commercial/BPP Appraisal	Commercial Appraiser	4
Residential Appraisal	Residential Manager	1
Residential Appraisal	Residential Team Lead	1
Residential Appraisal	Residential Appraiser	7
<b>Total</b>		<b>15</b>

The District has also experienced a significant challenge in finding qualified applicants and filling positions. With the cost of living in Austin and the surrounding areas increasing exponentially over the past few years, our pay rates are lower than competing jobs, especially in the clerical sector. With large scale businesses moving to Austin, such as Tesla and Amazon, the pay rate for clerical positions will continue to increase as the demand for these positions increases.

In a recent article, Amazon stated that they will provide workers with an average starting salary of \$17 per hour and a \$1,000 sign-on bonus depending on the location. McDonald's and Chipotle have both stated they are raising the hourly wages for employees across the U.S. "These increases, which have already begun, will be rolled out over the next several months and include shifting the entry level range for crew to at least \$11-\$17 an hour", the fast food giant said in a statement, adding that shift managers would be paid at least \$15 an hour.

The District is proposing increasing the entire pay grade system from 12% in clerical and support positions to 3% in executive and management level positions.

	Grades	Proposed Increase	# of Positions Affected	% of Total Workforce
Clerical	1-4	12%	41	28.67%
Appraisers	5-7	7%	58	40.56%
Salary Professionals	8-12	7%	33	23.08%
Management & Executives	13-22	3%	10	6.99%

The work that the District must complete in order to certify the roll has increased substantially in the last 10 years.

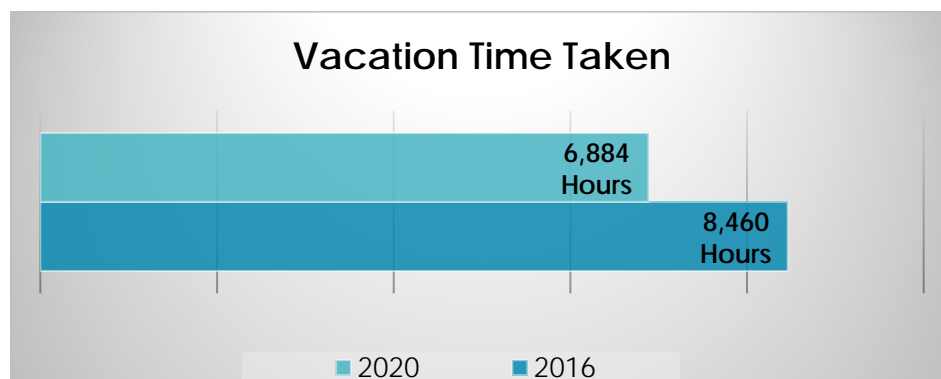

#### Appraisal:

Change in Work Load Required				
	2020	2011	10 Year Change	% Change
Field Inspections	227,564	79,589	147,975	185.92%
New Condos	908	357	551	154.34%
New Construction	9,051	3,660	5,391	147.30%
Permits	30,823	18,611	12,212	65.62%
New Subdivision	266	163	103	63.19%
Exemptions Processed	24,831	16,218	8,613	53.11%

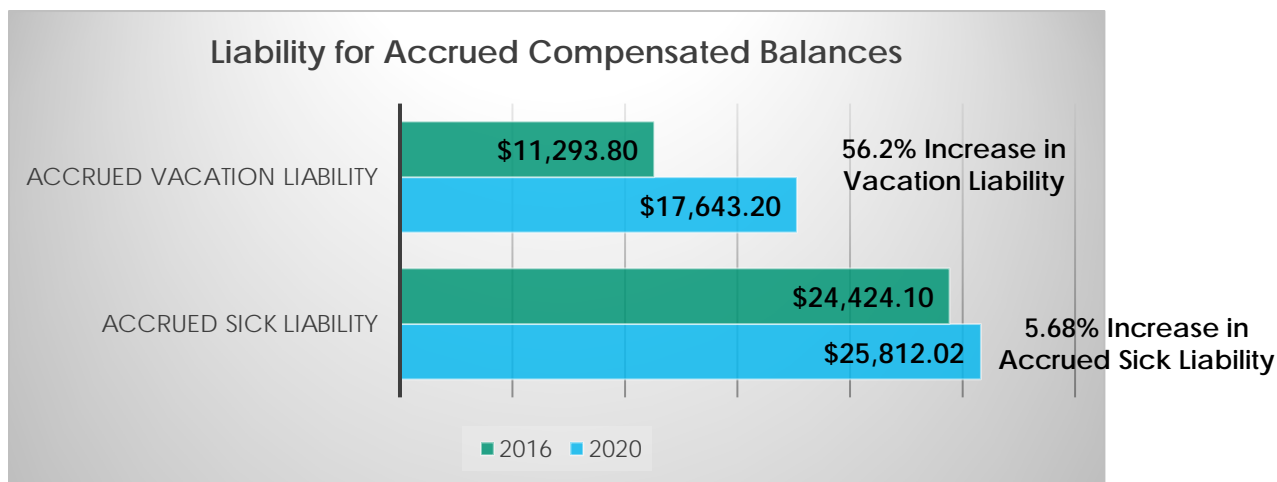

#### Appeals:

Change in Work Load Required				
	2020	2011	10 Year Change	% Change
Protests	147,368	81,353	66,015	81.15%
Lawsuits	1,556	240	1,316	548.33%
Arbitrations	414	114	300	263.16%

Because of the work load required and the lower budgeted FTEs compared to other metro CADs, our staff have not been able to take the time off that they need. In the last five years, staff have taken 20% less vacation time.

This has also increased the District's long-term liability for accrued sick and vacation time that would be paid to an employee upon separation. The long-term liability for accrued vacation increased 56.2% over the past five years.

## AUTO ALLOWANCE

Each appraiser is paid \$6,600 per year in auto allowance to cover the cost associated with using their personal vehicle for TCAD purposes. TCAD is proposing adding 13 appraiser positions to the 2022 budget.

## TEMPORARY STAFFING

For the past two protest seasons, the District has contracted with recently retired employees to assist with the protest hearings. The additional \$55,000 in temporary staffing is related to hiring recently retired employees to assist during the protest season.

## ARB PER DIEM PAYMENTS

The Appraisal Review Board has requested an increase in per diem payments \$408,250, a 34.83% increase. For more information on the Appraisal Review Board (ARB) budget requests, please see the ARB section on page 121.

## BENEFIT COSTS

### RETIREMENT CONTRIBUTIONS

The District's TCDRS annually required contribution rate (ARC), increased from 8.68% in 2021 to 11.90% in 2022. The increase in the ARC is due to a change in the investment return assumption made by TCDRS at the recommendation of the actuaries. The long-term outlook anticipates all rates and returns will remain below historical norms. Long-term forecasts show decreased returns across all

asset classes. The TCDRS board reduced the investment return assumption to 7.5%. The investment return assumption is an important piece to the funding formula that TCDRS uses and most employers will see increases in the ARC for 2022.

	2022 Plan
<b>Basic Plan Options</b>	
Employee Deposit Rate	7%
Employer Matching	250%
Prior Service Credit	100%
<b>Retirement Eligibility</b>	
Age 60 (Vesting)	10 years of service
Rule of	75 years total age + service
At Any Age	30 years of service
<b>Optional Benefits</b>	
Partial Lump Sum	No
Group Term Life	None
<b>Retirement Plan Funding</b>	
Total Normal Cost Rate	17.59%
Employee Deposit Rate	<u>-7.00%</u>
Employer-Paid Normal Cost Rate	10.59%
UAAL / (OAAL) Rate	<u>1.31%</u>
Required Rate	11.90%
Elected Rate	8.68%
<b>Total Contribution Rate</b>	
Retirement Plan Rate	11.90%
(greater of required and elected rate)	
Group Term Life Rate	<u>N/A</u>
Total Contribution Rate	11.90%

## OTHER BENEFIT COST INCREASES

The other benefit line items are increases as a direct result of adding 14 additional staff.

## OTHER SIGNIFICANT INCREASES

### POSTAGE & FREIGHT- SPECIAL SERVICES

The District added additional mail outs in 2020 and 2021. The District is now required to send a homestead eligibility mail out to any property owner who might qualify for a homestead exemption. In prior years, the District included this information with the Notice of Appraised Value mailing; however, the tax code now requires this mail out be separate from the Notice of Appraised Value. The SB2 postcard also added additional postage costs. The additional mailings

coupled with increasing postage rates account for the \$94,000 increase in postage expenditures.

## SUBSCRIPTIONS AND DATA EXPENDITURES

The overall cost of subscriptions and data purchases have decreased since 2021. However, due to the critical nature of our Carahsoft data purchase, the District has proposed to set up a new reserve account and budget annual for the purchase of data in future years. The cost of a full data set purchase would be upwards of \$225,000. Budgeting annually to this reserve fund would allow the district to save for a future data purchase without increasing the budget in the corresponding year. This provides the taxing entities with consistency in our budget. The District would plan to purchase a full data set every 2 to 3 years.

## TELEPHONE

The District purchased and implemented the Sonexis conference manager system in 2020 in response to the COVID 19 pandemic. We received positive feedback from property owners about the system, and plan to continue using the system for the 2021 hearings. The system has a monthly charge per minute and a budget item has been added to the 2022 proposed budget to cover 2022 expenditures consistent with 2020 charges.

## INTERNET

In preparation for our move to our new CAMA software service, the District purchased a redundant internet connection in the case of failure. If our main internet connection went down, a router would switch the service over to the redundant connection to allow for staff to continue working. It is critical that during the protest season, our CAMA system remains operational at all times. This secondary connection would help meet the critical goal of 99.99% uptime.

## ARBITRATION REFUNDS

The number of arbitrations filed has increased 263.2% in the last 10 years. It is important to note that arbitration refunds are typically made the following fiscal year. For example, during the 2020 fiscal year the District paid arbitration refunds in the amount of \$206,850. These refunds corresponded to the 678 arbitrations filed for the 2019 property value year. In 2019, there was a legislative change that required local arbitrators be used- i.e. the arbitrators deciding the values of Travis County arbitrations live within Travis County. The District noticed a significant reduction in the number of applicable arbitrators. The District has also noticed a significant increase in the number of arbitration decisions made in favor of the taxpayer.

Year	Count	Refunds
2011	114	\$ 2,280
2012	60	\$ 21,304
2013	43	\$ 1,850
2014	61	\$ 4,050
2015	98	\$ 3,600
2016	199	\$ 18,900
2017	227	\$ 19,150
2018	438	\$ 33,400
2019	678	\$ 81,150
2020	414	\$ 206,850

## SECURITY SERVICES

The District expects to begin in-person hearings as soon as the social distancing requirements are lifted in Travis County. With the increase in appraised values associated with the residential market in Travis County, the number of irate taxpayers will increase. We have seen this trend in year's past and have budgeted to have 5 sheriff's deputies in the building during the formal hearing season.

## CAPITAL EQUIPMENT

The District has planned the following capital expenditures for the 2022 budget year:

Capital Expenditure	Budget Amount
Purchase and implementation of text message system for appointments as required by SB63	\$ 300,000
Cosmetic Upgrades to Cross Park Office building in preparation of sale, to include painting and tile repair	100,000
A/C Repairs and Replacements	10,745
PowerStore Storage for Colo Cluster- 35.5 TB	49,802
SQL Server License Upgrade	18,435
Windows Server Datacenter License Upgrade	35,638
UP Battery Replacement	9,170
Use of Reserve Funds for Capital Expenditures	(258,067)
<b>Total Capital Expenditures</b>	<b>\$ 265,723</b>

Information on significant budgetary decreases are provided below.

(The ARB expenditures have been removed from the totals and shown as a department total to provide a more uniform comparison.)

## Travis Central Appraisal District Significant Decreases

GL Account Title	2022	2021	\$ Change	% Change
	Proposed Budget	Adopted Budget		
Operating Supplies	82,000	97,750	(15,750)	-16.11%
Legal & Attorney	271,000	553,000	(282,000)	-50.99%
Legal Fees- Expert Witness/Reports	500,000	650,000	(150,000)	-23.08%
Professional Services	1,100,891	1,330,816	(229,925)	-17.28%
Repair & Maintenance- Equipment	166,516	208,069	(41,553)	-19.97%
Software Maintenance	515,735	610,347	(94,612)	-15.50%

### Operating Supplies

There is no denying that the COVID-19 pandemic has changed everyone's lives in regards to wearing masks, working remotely, limiting social gatherings etc. One of the few positive impacts realized by employers and employees across the country has been the cost savings associated with remote work. The cost of printing supplies has been reduced in the 2022 proposed budget to better reflect the actual expenditures.

### Legal & Attorney

The District is proposing the use of \$1,500,000 in litigation reserve funds to cover 2022 legal expenditures.

### Legal Fees- Expert Witness Reports

The District significantly increased the legal fees associated with expert witness reports in the 2021 adopted budget. With the increased number of lawsuits each year, the District anticipated an equal increase in expert witness report fees. However, that was not the case and the District reduced the budget line item by \$150,000. This was due to more cases being settled during the earlier stages of litigation before an expert designation and report were required per the agreed scheduling order.

### Repair & Maintenance- Equipment

The 2022 proposed budget includes a decrease of \$41,553 in repair and maintenance equipment contracts which is directly related to the Dell Gold Support. Over the past few years, the District has transitioned to a virtual environment to include VMware hosts and virtual servers. While the hosts still require hardware maintenance and support agreements, the virtual servers do not. Replacing physical servers that had reached end of life and had a higher

maintenance cost with new virtual servers has reduced the cost of our hardware support contract through Dell by \$41,235 annually.

## Software Maintenance

The District will be moving to their new CAMA software in 2021. We anticipate we will run the new system and our existing PACS CAMA system concurrently for one year. We will be cancelling our current CAMA software in June 2022 which reduced the annual maintenance fees for 2022.

## CAPITAL EXPENDITURES BUDGET

In governmental accounting, an expenditure is considered to be a capital expenditure when the asset is a newly purchased capital asset or an asset improvement that extends the useful life of an existing capital asset. The Governmental Accounting Standards Board (GASB) provides the following authoritative definition of a capital asset for state and local governments:

The term *capital asset* includes land, improvements to land, easements, buildings, building improvements, vehicles, machinery, equipment, works of art and historical treasures, infrastructure, and all other tangible or intangible assets that are used in operations and that have initial useful lives extending beyond a single reporting period.

Per the District's capitalization policy, if an asset's cost is \$1,000 or greater and the useful life of the asset is more than one year, the asset is a capital asset and should be capitalized; this requires the District to spread the cost of the expenditure over the useful life of the asset. If, however, the expenditure is one that maintains the asset at its current condition, the cost is expensed fully in the year of the purchase.

The table below outlines the capital expenditures in the 2022 proposed budget. The total dollar amount of the budgeted capital expenditures for FY 2022 is \$304,288. More in depth information on major capital projects can be found in the Capital Improvement Program section of this document beginning on page 53.

Dept.	Capital Expenditure	Budget Amount
<b>Administration (10)</b>	Purchase and implementation of text message system for appointments as required by SB63	\$ 300,000
	Cosmetic Upgrades to Cross Park Office building in preparation of sale, to include painting and tile repair	100,000
	A/C Repairs and Replacements	10,745

	SQL Server License Upgrade	18,435
	Windows Server Datacenter License Upgrade	35,638
	UP Battery Replacement	9,170
	Use of Reserve Funds for Capital Expenditures	(258,067)
<b>Total Capital Expenditures</b>		<b>\$ 265,723</b>

## DEBT ADMINISTRATION

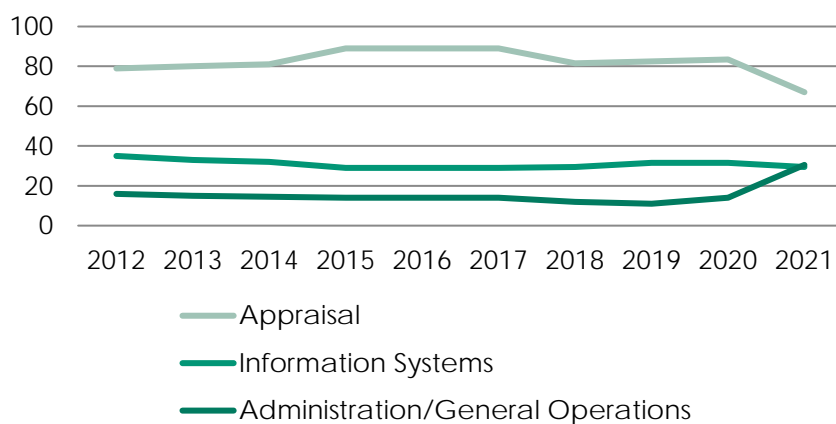

The District completed a lease/purchase agreement in May 2019 for the property located at 850 E. Anderson Lane. Renovations on the office building were completed in July 2020. The 850 EAL Holding Corp. is a blended component unit of the District. The sole purpose of the 850 EAL Holding Corp. is to support the District through the purchase and renovation of the building. The 850 EAL Holding Corp. is shown as a special revenue fund on the District's financial statements and will account for the long-term debt payments in the 202 budget. More in depth information on the District's debt can be found in the Debt Administration section of this document beginning on page 63.

## STAFFING

The graph below shows the budgeted number of employees versus the actual number of employees.

Year	2016	2017	2018	2019	2020	2021	2022

## BENEFITS

The District provides all full-time staff the benefits outlined below beginning the first day of the month immediately following the completion of sixty (60) days of employment.

### Vacation and Sick Leave

All full-time regular employees accrue eight (8) hours of vacation leave per month for the first five years of employment. Vacation accruals increase based on years of services following the schedule below:

<u>Employment Service</u>	<u>Accrual per Month</u>
Less than 5 years	8 hours
5 years but less than 10 years	9 hours
10 years but less than 15 years	10 hours
15 years but less than 20 years	11 hours
20 years or more	12 hours

All full-time regular employees earn eight hours of sick leave per month with no accrual limit and no carry-over limit.

## Scheduled Holidays

All full-time employees of the District receive the following paid holidays:

New Year's Day  
Dr. Mart Luther King's Birthday (observed)  
President's Day  
Memorial Day  
Independence Day  
Labor day  
Columbus Day (at the discretion of the Chief Appraiser)  
Veteran's Day  
Thanksgiving Day  
Day after Thanksgiving  
Christmas Eve  
Christmas Day  
Two Personal Holidays

## Retirement (TCDRS)

The District participates in the Texas County & District Retirement System (TCDRS). The employee contribution rate is 7%, with the District matching funds at 250%. Employees vest after 10 years of services with a qualifying agency and are eligible for retirement when the rule of 75 is met, meaning the employees age and years of service total 75. The District does not participate in social security.

## Retirement (401a Plan)

The District contributes to a 401(a) plan for each employee annually. In January of each year the District will contribute no less than 5% of the previous years' gross income. Employees vest on a 5 year graded vest outlined below:

1 year- 20%  
2 years- 40%  
3 years- 60%  
4 years- 80%  
5 years- 100%

## Deferred Compensation Plan (457b)

All full-time employees are offered a 457(b) deferred compensation plan. Currently, the District matches employee contributions at 100% for the first three percent contributed, and 50% for the next two percent contributed.

## Health Insurance

The District offers all full-time employees health insurance through the District's health insurance provider. The District pays for 100% of the premium. The District also offers

dependent coverage through the District's health insurance provider. The District pays for 50% of dependent premiums.

### Health Reimbursement Account (HRA)- Direct Pay

The District offers an HRA for employees participating in the PPO plan. The HRA plan will reimburse each eligible employee for medical and dental copays, coinsurance, and deductible charges up to a maximum of \$4,500 for the covered employee and his or her covered dependents. Up to \$500 of the maximum may be used for expenses related to vision care including copay, glasses or contact lenses.

### Retiree Healthcare

#### **Retiree health benefits prior to Medicare eligibility:**

Active TCAD employees with a minimum of 10 years of service at TCAD, who either retire, or qualify for TCDRS retirement and leave the funds in TCDRS after separation, may be eligible to remain on the TCAD health plan. If eligible, TCAD will pay 50% of the premium for his or her health care plan coverage until eligible for Medicare.

Active TCAD employees with a minimum of 20 years of service, who either retire, or qualify for TCDRS retirement and leave the funds in TCDRS after separation, may be eligible to remain on the TCAD health plan. If eligible, TCAD will pay 100% of the premium for his or her health care plan coverage until eligible for Medicare.

#### **Retiree health benefits after eligible for Medicare:**

Current and former employees with a minimum of 10 years of services at TCAD, who either retire from TCAD, or qualify for TCDRS retirement and leave the funds in TCDRS after separation, may be eligible to purchase a Medicare Advantage Plan once enrolled in Medicare Part A and B. If eligible, TCAD will pay for 80% of the premium for his or her Medicare advantage plan.

### Dental Insurance

The District offers all full-time employees dental insurance through the District's dental insurance provider.

### Health Reimbursement Account (HRA)- Dental

The District funds an HRA for employees participating the District's dental plan. The HRA will reimburse each eligible employee participating in the dental plan up to a maximum of \$2,000 for the covered employee and his or her covered dependents.

### Vision Insurance

The District offers all full-time employees access to a voluntary vision plan.

### Basic Life and AD&D

The District provides all full-time employees that are actively at work a basic life and accidental death and dismemberment (AD&D) plan in the amount of two times annual earnings, to a maximum of \$400,000. There is no cost to the employee for this

plan. Employees may purchase additional coverage up to a maximum of \$500,000, but not to exceed 5 times your annual earnings.

### Long-term Disability Insurance

The District provides long-term disability income benefits to full-time employees that are actively at work. There is no cost to the employee for this plan. The primary LTD insurance plan will replace 60% of pre-disability income, up to \$5,000 per month. The District purchases a secondary plan that provides total income replacement to 75% of pre-disability income.

### Long-term Care Insurance

The District offers all full-time employees a base plan for long-term care insurance at no cost to the employees. The base plan provides a \$70 daily benefit to a maximum amount of \$51,100 over a two-year benefit period. Employees are given the option to buy additional voluntary coverage.

### Employee Assistance Program (EAP)

All full-time employees, as well as family members residing in the employee's household, have access to a variety of services through EAP. The EAP provides referrals to counseling services, and employee may access 6 sessions at no cost, per issue, per year. The EAP addresses a variety of issues including: stress, financial issues, legal, free simple Last Will & Testament), depression, marital problems, family problems, behavioral problems, and drug/alcohol problems.

## PROJECTED CHANGES IN FUND BALANCE

The Government Finance Officers Association (GFOA) describes fund balance as the difference between assets, liabilities, deferred outflows of resources, and deferred inflows of resources. There are five different components of fund balance (*nonspendable, restricted, committed, assigned, and unassigned*) designed to indicate both:

- Constraints on how resources of the fund can be spent, and
- The sources of those constraints.

For fiscal year ending December 31, 2020, the District had a total fund balance of \$4,718,781 with \$541,218 being nonspendable fund balance for prepaid items, \$3,611,106 being committed fund balance for reserves for future expenditures, and \$566,457 being unassigned. The District's fund balance is increased by miscellaneous revenue that appraisal districts are allowed to exempt from the credit of surplus funds back to the jurisdictions and funds held in reserve. Miscellaneous revenue includes revenue from the sale of data produced by the District as well as any late payment rendition revenue that is split between the District and the county tax assessor-collector. The District expects for the FY ending December 31, 2021 to have

approximately \$100,000 in miscellaneous revenue that will increase the unassigned fund balance accordingly.

The District currently has six reserve funds that are held as committed fund balances. The reserve balances as of August 2021 are as follows:

	<u>Current Balance</u>
Reserve for Computer Equipment	\$ 114,000
Reserve for Network Infrastructure	350,000
Reserve for Technology Enhancements	154,192
Reserve for Litigation	2,456,914
Reserve for ARB Operations	-
Reserve for Building Repair & Replacement	-
	<u>\$ 3,075,106</u>

	Balance- as of 12/31/2020	2021 Budgeted Reserves	2021 Surplus Funds	Estimated EOY 2021 Balance
Unallocated reserves (Unassigned Fund Balance)	\$ 566,457		\$ 100,000	\$ 666,457
	<b>\$ 566,457</b>	<b>\$ -</b>	<b>\$ 100,000</b>	<b>\$ 666,457</b>
Nonspendable (prepaid items)	<b>\$ 541,218</b>			\$ 541,218
Reserve for Computer Equipment	150,000	(36,000)		114,000
Reserve for Network Infrastructure	350,000			350,000
Reserve for Technology Enhancements	154,192			154,192

## LONG-TERM FINANCIAL PLANS

The COVID-19 pandemic will continue to cause budgeting deficiencies for all governmental agencies for the coming years. The District will need to come up with ways to gain efficiencies and do more with less. The District will continue to focus on efficient and effective ways to save funds for the taxing entities and taxpayers of Travis County.

One of the District's major long-term projects is replacing the current CAMA (appraisal) system. The District's current CAMA software system was originally implemented in 2005. While the District has made developments and enhancements to the system throughout the last 15 years, the system is now in need of an overhaul. The District partnered with True Prodigy in 2019 to develop a new CAMA software which leverages more current technology that is more conducive for big data. The District plans move to the True Prodigy CAMA system in August 2021.

### **CONTACT INFORMATION**

Should you have any questions about the District's FY 2022 budget or the budgeting process, please contact Leana H. Mann, Deputy Chief of Operations for the Travis Central Appraisal District at (512)834-9317 Ext. 405 or by e-mail at [Lmann@tcadcentral.org](mailto:Lmann@tcadcentral.org).

# Revenue Budget

## TRAVIS CENTRAL APPRAISAL DISTRICT

### Revenue Budget

The revenue budget for fiscal year 2022 is \$22,968,610. Since the District uses a balanced budget policy, budgeted assessments to the taxing units must equal budgeted expenditures. Budgeted assessments to the taxing units and budgeted expenditures both total \$22,786,110. The additional \$182,500 in the revenue budget is for miscellaneous income. This is income that the District is allowed to keep from year to year for charges for services, investment income and other miscellaneous income items.

**Assessments to the taxing entities:** The vast majority of the District's revenue comes from the taxing entities of Travis County (99.21%). The District serves the 132 local government agencies 21 cities, 17 emergency districts, the county, the hospital district, the junior college, 58 municipal utility districts, 1 road districts, 15 school districts, and 17 water control improvement districts. Each taxing entity is allocated a portion of the budget equal to the proportion that the total dollar amount of property taxes imposed by the unit for the tax year in which the budget proposal is prepared bears the sum of the total dollar amount of property taxes imposed in the District by each participating unit for that year. The budget liability is then divided into four equal installments paid at the beginning of each quarter. If a taxing unit decides not to impose taxes for any tax year, the unit is not liable for any costs of operating the District for that year, and those costs are then allocated amongst the other taxing entities. The revenue budget for assessments from the taxing entities totals \$22,786,110 for the 2022 fiscal year. A chart showing an estimate of each taxing unit and their proportionate share along with the information used to calculate their budget liability to the District is provided on pages 50-52. Once the

District certifies the taxable values for each taxing unit and tax rates are set by each unit, the District will send a final notice of liability to each taxing unit.

If the District has a surplus of revenues over expenditures from the preceding year's budget, the District must reduce the current budget allocation to each taxing unit proportionately for the year that the surplus is from. This is shown as a refund of appraisal assessments and is a contra revenue account, which consequently reduces budgeted revenues required by the taxing units for that fiscal year.

**Other Income:** Other income, totaling 0.79% of the District's revenue budget, is comprised of (1) charges for services, (2) investment income and (3) miscellaneous revenue.

Investment earnings	\$	90,000	49.32%
Charges for services		7,500	4.11%
Miscellaneous Revenue		85,000	46.58%
	\$	182,500	100.00%

**Investment Income:** The budgeted investment income for fiscal year 2022 was reduced to \$90,000. The current market trends indicate lower than normal investment earnings for the foreseeable future.

**Charges for Services:** The District collects fees from taxpayers and other agencies for data provided. Examples of data provided by the District for a fee are maps of the county and data exports from the Districts appraisal software. The total budget for charges for services is \$7,500 or 0.03% of the total revenue budget.

**Miscellaneous Revenue:** A large portion of miscellaneous revenue is from the rendition penalty collected for renditions not filed timely. These penalties are collected by the county tax office and split between the tax office and the appraisal district. The total budget for miscellaneous revenue is \$85,000 or 0.37% of the total revenue budget.

## Budgeted Revenues Last Ten Fiscal Years

The District makes the assumption each year when estimating revenues for the budget that all taxing entities will pay their liability in full. For the past ten years, the District has collected 100% of assessments to the taxing entities.

Fiscal Year Ended Dec. 31	Total Assessments to Taxing Entities	Amount Collected	Surplus Credit/Refund- Reduction of Liability	Amount Not Collected	Percent of Assessment

# Capital Improvement Plan

# TRAVIS CENTRAL APPRAISAL DISTRICT

## Capital Improvement Plan

### Capital Improvement Plan Overview

The Capital Improvement Plan (CIP) is a multi-year plan to address capital projects necessary to maintain infrastructure and replace aging equipment. The plan is updated annually to reflect the latest priorities, updated cost estimates, and available funding information.

A capital asset, by definition, includes land, improvements to land, easements, buildings, building improvements, vehicles, machinery, equipment, works of art and historical treasures, infrastructure, and all other tangible or intangible assets that are used in operations and that have initial useful lives extending beyond a single reporting period. The District's capitalization threshold is \$1,000 and a useful life of more than one year. The District's finance department is responsible for the establishment, maintenance and safeguarding of all fixed assets. The District's capital assets are depreciated using the straight-line method over their estimated useful lives outlined below based on the following asset classes:

Asset Class	Useful Life
Land	Inexhaustible
Building	50 years
Building Improvements	5-10 years
Computer Equipment	3-5 years
Furniture & Equipment	5-10 years
Vehicles	5-10 years

## 2022 Capital Improvement Plan

For fiscal year 2022, the District has budgeted for a total of \$265,723 for capital asset expenditures. The District plans to use reserves to pay for the majority of the capital expenditures that are necessary during 2022. For any planned capital expenditure that is not necessary, the District has decided to delay the purchase until future years so that staffing is put as a priority in the 2022 proposed budget. The chart below shows the breakdown by department.

<u>Department</u>	<u>Capital Asset to be Purchased</u>	<u>Budgeted Cost</u>
<b>Administration (10)</b>	Purchase and implementation of text message system for appointments as required by SB63	\$ 300,000
	Cosmetic Upgrades to Cross Park Office building in preparation of sale, to include painting and tile repair	100,000
	A/C Repairs and Replacements	10,745
<b>IT (20)</b>	PowerStore Storage for Colo Cluster- 35.5 TB	49,802
	SQL Server License Upgrade	18,435
	Windows Server Datacenter License Upgrade	35,638
	UP Battery Replacement	9,170
	Use of Reserve Funds for Capital Expenditures	(258,067)
<b>Total Capital Expenditures</b>		<b>\$ 265,723</b>

<b>Capital Expenditure</b>	<b>Budget Amount</b>
Purchase and implementation of text message system for appointments as required by SB63	\$ 300,000
Cosmetic Upgrades to Cross Park Office building in preparation of sale, to include painting and tile repair	100,000
A/C Repairs and Replacements	10,745
PowerStore Storage for Colo Cluster- 35.5 TB	49,802
SQL Server License Upgrade	18,435
Windows Server Datacenter License Upgrade	35,638
UP Battery Replacement	9,170
Use of Reserve Funds for Capital Expenditures	(258,067)
<b>Total Capital Expenditures</b>	<b>\$ 265,723</b>

Capital Asset to be Purchased	Total Cost	Routine	Non-Routine
Purchase and implementation of text message system for appointments as required by SB63	\$ 300,000		\$ 300,000
Cosmetic Upgrades to Cross Park Office building in preparation of sale, to include painting and tile repair	\$ 100,000		\$ 100,000
A/C Repairs and Replacements	\$ 10,745	\$ 10,745	
PowerStore Storage for Colo Cluster- 35.5 TB	\$ 49,802		\$ 49,802
SQL Server License Upgrade	\$ 18,435		\$ 18,435
Windows Server Datacenter License Upgrade	\$ 35,638		\$ 35,638
UPS Battery Replacement	\$ 9,170	\$ 9,170	
Use of Reserve Funds for Capital Expenditures	\$ (258,067)		\$ (258,067)
<b>Totals</b>	<b>\$ 265,723</b>	<b>\$ 19,915</b>	<b>\$ 245,808</b>

### 2022 Routine Capital Projects

#### A/C Repairs & Replacements

The District budgets each year for A/C unit repairs and replacements. The routing cost for replacement remained unchanged from the 2021 adopted budget to the 2022 proposed budget.

#### UPS Battery Replacements

Each year the District replaces 1/3 of the batteries in the UPS battery backup system.

### 2022 Significant and Non-routine Capital Expenditures

The following pages outline each non-routine project included in the capital improvement plan for fiscal year 2022.

The District is proposing to use available reserve funds for the majority of the necessary capital expenditures. The allocation from each reserve fund is as follows:

Budgeted Reserves	Budget Amount
Reserve for Computer Equipment	(54,073)
Reserve for Network Infrastructure	(49,802)
Reserve for Technology Enhancements	(154,192)
<b>Total</b>	<b>(258,067)</b>

## Capital Expenditure Project Summary

# Debt Administration

## TRAVIS CENTRAL APPRAISAL DISTRICT

### Debt Administration

All financing of capital projects must be included in the current year's proposed budget and approved by the Board of Directors. Appraisal Districts are not authorized to levy ad valorem taxes or issue bonded indebtedness or other debt instruments. Therefore, any capital asset acquisition requiring the use of financing must be done through the budget process. For real property purchases, special stipulations for appraisal districts are outlined in the Texas Property Tax Code, Section 6.051.

The District completed a lease/purchase agreement in May 2019 for the property located at 850 E. Anderson Lane. The information provided on the following pages encompasses the entirety of debt obligations for the District. When the District sells the Cross Park office location, any proceeds from the sale will be used to pay down the liability on the 850 E. Anderson Lane location.

#### **Loan: Government Capital Corp.**

## Mission Statement

The mission of the Administration department, which includes human resources, finance, facilities' maintenance, records management and the offices of the Chief Appraiser and the Deputy Chief of Appraisal is to provide timely, useful, and accurate information to all internal and external customers including but not limited to staff, division directors, the Board of Directors, the taxing jurisdictions of Travis County, and all taxpayers of Travis County, and to assure prudent control of the District's cash and investments. It is also the mission of the Administration department to oversee all mission critical tasks of the appraisal district to ensure completion and to meet all legislative requirements. The Appeals department seeks to provide legal analysis and property valuations for the District during information and formal hearings, settlement conferences, mediations, arbitrations, SOAH hearings, and lawsuits filed in Travis County with the Texas Property Tax Code and appraisal practices and standards, and to carry out the duties in a professional, friendly, courteous and ethical manner.

## Key Responsibilities

The Administration Department's function is to plan, organize, direct and control the business support functions related to human resources, budget, finance, purchasing, payroll, facilities maintenance, records management and mail services. Key responsibilities of the legal staff include, but are not limited to: managing lawsuits, arbitrations, SOAH hearings, mediations and settlement conferences (internally and those of outside counsel); preparation and review of expert reports; filing and answering lawsuits; preparing and answering discovery, motions, and judgments; and providing legal advice on day-to-day issues arising out of issues involving the Texas Property Tax Code, exemption application, contracts, open meetings, and public information requests. Additional responsibilities include conducting staff training/CLE, legislative bill tracking and analysis, as well as notarizing and translating forms and documents. The litigation appraisers handle all the arbitrations and coordinate valuation efforts for use in SOAH hearings, mediations and settlement conferences involving real property.

## Key Tasks & Deadlines

Tasks	Deadline	Key Players
Performance Reviews/ Merit Increases	January 15	HR, Divisions Directors & Managers
Year End Processing & W2's	January 31	HR, Deputy Chief of Operations
Budget Planning Meetings	March 1	Deputy Chief of Operations, Chief Appraiser, Division Directors
Certified Estimates	April 30	Chief Appraiser
Financial Audit	June 30	Deputy Chief of Operations
Presentation Preliminary Budget	June 15	Chief Appraiser, Deputy Chief of Operations
Appraisal Roll Certification	July 25	Chief Appraiser
Reappraisal Plan	September 15	Chief Appraiser
Budget Adoption	September 15	Chief Appraiser, Deputy Chief of Operations
Strategic Plan	October 15	Chief Appraiser, Division Directors & Managers
Annual Report	November 1	Chief Appraiser
Open Enrollment	November 1	HR
Legislative Tracking & Communications	Year Round	Deputy Chief of Intergovernmental Relations, Chief Appraiser

## Mission Statement

The mission of the Information Technology department is to provide, develop, and maintain a highly effective, reliable, secure and innovative technology infrastructure which supports all facets of the district staff, division directors, Board of Directors, taxing jurisdictions of Travis County, and all taxpayers of Travis County in the most cost effective manner.

## Key Responsibilities

The Information Technology department's function is to manage the activities of the information technology environment including the network, security, database, and CAMA software administration. This department is highly technical in all areas for troubleshooting, evaluating, and recommending changes to current and future network requirements to meet the District's needs. The IT department works closely with management and the District's software vendor to help design and implement new software features and programming changes, including changes required by legislative mandate. This department coordinates supplement processing with entities and district staff, works with various departments of the taxing units to electronically exchange information and provide data/information for all taxing units as requested. The IT department also processes record requests requiring computer generated information.

## Mission Statement

The mission of the Customer Service department is to provide assistance to the public in a professional and courteous manner in addition to ensuring that exemptions are fairly and consistently granted.

## Key Responsibilities

The Customer Service department is responsible for representing the District in frequent contact with the public. This department assists property owners, property tax professionals, attorneys and the general public with any request. The customer service department administers homestead, disable veteran and over-65 exemptions, as well as answering general questions received primarily from walk-in and telephone inquiries. This department is responsible for ensuring that exemptions are fairly and consistently granted per the Texas Property Tax Code.

## Mission Statement

The mission of the Commercial Appraisal department of the Travis Central Appraisal District is to provide accurate appraisals of all commercial properties in Travis County at one hundred percent of market value, equally and uniformly, in a professional and ethical manner, according to the Texas Property Tax Code, USPAP, and generally adhered to IAAO standards but for jurisdictional exceptions. The mission of the Business Personal Property Appraisal department is to discover, value and resolve disputes of all business personal property within Travis County following Uniform Standards of Professional Appraisal Practice (USPAP) Standard 6 for mass appraisal; To treat all businesses fairly and uniformly as they relate to others in their industry; To comply with the Texas Comptrollers' guidelines and work in unison with all other departments to convey an accurate and fair representation of market value for the local taxing jurisdictions.

## Key Responsibilities

The Commercial Appraisal department is responsible for appraising all commercial properties within Travis County, including all multi-family properties of five units and larger, retail, office, industrial and lodging properties. This department must gather data pertaining to quality, classification and value of complex commercial properties. They are responsible for scheduling that allows for the systematic processing of commercial protests in a timely manner that will allow the District to certify timely as well as perform appraisals, data collection, sales analysis and estimates for construction costs for various types of commercial properties. The Business and Personal Property (BPP) Appraisal department is responsible for the fair and equitable appraisal of all business and personal property in Travis County. This department is responsible for valuing all personal property accounts, including equipment, inventory, furniture, fixtures and vehicles; they are also responsible for administering abatements, special inventory and Freeport exemptions. Additionally, they oversee contract appraisals for utilities, transportation and minerals.

## Mission Statement

The mission of the Residential Appraisal department of the Travis Central Appraisal District is to incorporate best practices to provide accurate appraisals of all residential properties in Travis County at market value, equally and uniformly in a professional and ethical manner within the framework of the Texas Property Tax Code and USPAP, subject to jurisdictional exceptions, and within the guidelines and standards of IAAO. The residential department is also responsible for the appraisals of all taxable land parcels and determining if the property is qualified for open space valuation in Travis County.

## Key Responsibilities

The Residential Appraisal department is responsible for the fair and equitable appraisal of all residential property in Travis County, including houses, mobile homes, duplexes, triplexes, fourplexes and residential condominiums. This department is responsible for applying the generally accepted appraisal methods to estimate the value of all residential property in Travis County and producing an accurate residential appraisal roll. This department is also responsible for the scheduling that allows for the systematic processing of residential protests in a timely manner that will allow the District to certify timely. This department values all land, builder's inventory and places productivity (usually call Ag) values on properties.

# **Appraisal Review Board (ARB)**

**Independent Review Body Appointed by District Administration Judge  
(Not a TCAD Department)**

## Appraisal Review Board (ARB)

When the Texas Legislature enacted the Texas Property Tax Code, they realized the need to have an administrative remedy, outside of district court, for property owners to address concerns relating to the appraisal district's determination of market values. The answer was the establishment of Appraisal Review Boards (ARB). The ARB is an independent, impartial group of citizens authorized to resolve disputes between taxpayers and the appraisal district.

ARB members are appointed by the Local Administrative District Judge for two- year terms. At the end of their term, and ARB member may reapply for another period of two years for a total of three consecutive two-year terms. To qualify for service on the ARB, an individual must be a resident of Travis County for at least two years before taking office. No employees or offices of the appraisal district or any taxing unit within Travis County, past or present, may sit on the ARB. The individuals cannot be closely related to any tax agent or tax appraiser within the appraisal district boundaries.

For cost savings purposes, the ARB meets at the appraisal district office; however, it is not controller by the appraisal district and is a separate authoritative body. The ARB has not role in the day-to-day operations of the appraisal office or in appraising property. The ARB only has authority over protests submitted to it. Only in resolving taxpayer protests can the ARB make changes or set a value on its own. Such a change only affects the property in question and decisions are binding only for the year in question.

# CITY BOUNDARIES

## Property Taxes at Work

Property taxes are local taxes that are assessed locally, collected locally, and used locally. You pay your property taxes to the local tax collector. The tax collector distributes the funds to schools, cities and other local governments. Local governments spend the funds on schools, roads, hospitals, police departments, fire departments and other programs.

In Travis County, property taxes support 132 local government agencies including 21 cities, 17 emergency districts, the county, the hospital district, the junior college, 58 municipal utility districts, 1 road districts, 15 school districts, and 17 water control improvement districts. For 2020 the projected tax levy for all taxing units in Travis County is \$5,115,511,851.

## Exemptions

The general homestead exemption is for owner-occupied residential properties. The exemption removes a portion of your value from taxation, providing a lower tax amount for the homestead property.

If you qualify for the Over 65 exemption, there is a property tax “ceiling” that automatically limits school taxes to the amount you paid in the year that you first qualified for the exemption.

100% Disabled veterans are eligible for 100% exemptions for their residence homestead. Documentation from the Department of Veterans Affairs must be submitted indicating 100 percent disability compensation due to a service connected disability AND a rating of 100 percent disabled or a determination of individual unemployability from the VA.

Non-profit organizations that are eligible for property tax exemptions include, but are not limited to, certain charitable organizations, youth development organizations, religious organizations, non-profit private schools, charitable hospitals, cemeteries, and veterans' organizations.

Property owners with mineral property or business personal property worth less than \$500 are exempt from property taxes. No exemption application is required.

## Taxpayer Appeals

Taxpayers have the right to appeal their property's valuation. The Appraisal Review Board considers all evidence presented by the property owner and the Appraisal District Office at formal hearings. They then rule on the value of the property in question.

### 10 Year History of Property Appeals

### Distribution of 2020 Appeals by Market Value

■ Business Personal Property ■ Commercial ■ Residential

### Distribution of 2020 Appeals By Number of Appeals Filed

■ Business Personal Property ■ Commercial ■ Residential

Taxpayers that file an appeal are first given an opportunity to meet informally with an appraiser. If the property owner is unable to reach a value agreement with the appraiser, they are then able to carry their protest to the Appraisal Review Board for a formal hearing.

Taxpayers dissatisfied with the Appraisal Review Board formal hearing determination may appeal the decision arbitration, State Office of Administrative Hearings, or District Court.

### 10 Year History of Property Lawsuits

## Comptroller PTAD Studies

Annually, the Comptroller's Property Tax Assistance Division performs either a Property Value Study (PVS) or Methods and Assistance Program (MAP) review of each appraisal district.

The purpose of the PVS is to determine the median level of appraisal for the appraisal district and determine the taxable value for each ISD for school funding purposes. Travis CAD received its most recent PVS review in 2020. The final results of the 2020 PVS were not available at the time of this report. The 2018 PVS results are provided.

## 2019 METHODS AND ASSISTANCE PROGRAM REVIEW

Travis CAD received its most recent MAP review in 2019. The review is designed to determine whether appraisal districts are meeting minimum requirements for appraisal duties and reviews specifically for governance, taxpayer assistance, operating procedures, and appraisal standards and methodology. Travis CAD passed all mandatory requirements and received exceeds rating in all areas of review.

2018-19 Final Methods and Assistance Program  
Review

#### Travis Central Appraisal District

This review is conducted in accordance with Tax Code Section 5.102(a) and related Comptroller Rule 9.301. The Comptroller is required by statute to review appraisal district governance, taxpayer assistance, operating procedures and appraisal standards.

Mandatory Requirements	PASS/FAIL
Does the appraisal district have up-to-date appraisal maps?	PASS
Is the implementation of the appraisal district's most recent reappraisal plan current?	PASS
Are the appraisal district's appraisal records up-to-date and is the appraisal district following established procedures and practices in the valuation of property?	PASS
Are values reproducible using the appraisal district's written procedures and appraisal records?	PASS

Appraisal District Activities	RATING
Governance	Meets All
Taxpayer Assistance	Meets All
Operating Procedures	Meets All
Appraisal Standards, Procedures and Methodology	Meets

#### Appraisal District Ratings:

Meets All – The total point score is 100

Meets – The total point score ranges from 90 to less than 100

Needs Some Improvement – The total point score ranges from 85 to less than 90

Needs Significant Improvement – The total point score ranges from 75 to less than 85

Unsatisfactory – The total point score is less than 75

Review Areas	Total Questions in Review Area (excluding N/A Questions)	Total "Yes" Points	Total Score (Total "Yes" Questions/Total Questions) x 100
Governance	15	15	100
Taxpayer Assistance	11	11	100
Operating Procedures	23	23	100
Appraisal Standards, Procedures and Methodology	31	30	97

## CAD Comparison

A useful statistic is comparing the CAD budget to the total taxes levied by the taxing entities. It reflects how much it costs to generate a dollar of property tax revenue which, in turn, indicates appraisal and operating efficiencies.

CAD	2019 Tax Levy	2020 Budget	% of Levy
Dallas CAD	\$ 7,371,062,620	\$ 29,369,242	0.40%
Travis CAD	\$ 4,673,345,975	\$ 20,193,893	0.43%
Tarrant CAD	\$ 5,275,381,223	\$ 25,828,993	0.49%
Harris CAD	\$ 11,948,766,001	\$ 90,728,307	0.76%
El Paso CAD	\$ 1,305,558,884	\$ 16,032,787	1.23%
Bexar CAD	\$ 373,489,611	\$ 18,948,050	5.07%

Top 10 CAD by 2019 Value	Market Value (Billions)	% of Total
Harris CAD	\$ 627.1	16.87%
Dallas CAD	\$ 350.6	9.43%
Travis CAD	\$ 268.6	7.22%
Tarrant CAD	\$ 255.1	6.86%
Bexar CAD	\$ 197.6	5.32%
Collin CAD	\$ 181.1	4.87%
Denton CAD	\$ 126.0	3.39%
Fort Bend CAD	\$ 94.9	2.55%
Williamson CAD	\$ 82.9	2.23%
Montgomery CAD	\$ 75.6	2.03%
<b>State Total</b>	<b>\$ 3,717.8</b>

### Business Hours

M, W, F — 7:45am-4:45pm  
Tu, Th — 9:00am – 4:45pm

### Directions

#### From North Austin

From north Austin go south on IH 35. Take the 183/Saint Johns Ave exit which will be exit number 240A-239. Turn left at the light onto highway 183 South staying on the frontage road. Make a U turn at the first available intersection onto East Anderson Lane. Our office at 850 East Anderson Lane will be on the right. If you reach the intersection of IH-35 and US-183, you have gone too far.

#### From South Austin

From south Austin go north on IH 35. Take the 183/Saint John's Ave exit which will be exit number 240A - 239. Turn right on Hwy 183 staying on the frontage road. Make a U turn at the first available intersection onto East Anderson Lane. Our office at 850 East Anderson Lane will be on the right. If you reach the intersection of IH-35 and US-183, you have gone too far.

#### From East Austin

From east Austin, head west on Hwy 183 and take the I-35/Lamar Blvd/TX-275 Loop exit. Our office at 850 East Anderson Lane will be on the right. If you reach the intersection of IH-35 and US-183, you have gone too far.

#### From West Austin

From west Austin, head east on Hwy 183 and take the US 290/Cameron Road exit. Make a U-turn onto East Anderson Lane. Our office at 850 East Anderson Lane will be on the right. If you reach the intersection of IH-35 and US-183, you have gone too far.

# Appendix

## SECTION 6.06 PROPERTY TAX CODE, APPRAISAL DISTRICT BUDGET AND FINANCING

(a) Each year the Chief Appraiser shall prepare a proposed budget for the operations of the district for the following tax year and shall submit copies to each of the taxing units participating in the district and to the district board of directors before June 15<sup>th</sup>. He shall include in the budget a list showing each proposed position, the proposed salary for the position, all benefits proposed for the position, each proposed capital expenditure, and an estimate of the amount of the budget that will be allocated to each taxing unit. Each taxing unit entitled to vote on the appointment of board members shall maintain a copy of the proposed budget for public inspection at its principal administrative office.

(b) The board of directors shall hold a public hearing to consider the budget. The secretary of the board shall deliver to the presiding officer of the governing body of each taxing unit participating in the district not later than the 10<sup>th</sup> day before the hearing. The board shall complete its hearings, make any amendments to the proposed budget it desires, and finally approve a budget before September 15. If governing bodies of a majority of the taxing units entitled to vote on the appointment of board members adopt resolutions disapproving a budget and file them with the secretary of the board within 30 days after its adoption, the budget does not take effect, and the board shall adopt a new budget within 30 days of the disapproval.

(c) The board may amend the approved budget at any time, but the secretary of the board must deliver a written copy of the proposed amendment to the presiding officer of the governing body of each taxing unit participating in the district not later than the 30<sup>th</sup> day before the date the board acts on it.

(d) Each taxing unit participating in the district is allocated a portion of the amount of the budget equal to the proportion that the total dollar amount of property taxes imposed in the district by the unit for the tax year in which the budget proposal is prepared bears to the sum of the total dollar amount of property taxes imposed in the district by each participating unit for that year. If a taxing unit participates in two or more districts, only the taxes imposed in a district are used to calculate the unit's cost allocations in the district. If the number of real property parcels in the district and the taxing unit imposes in excess of 25 percent of the total amount of the property taxes imposed in the district by all of the participating taxing units for a year, the unit's allocation may not exceed a percentage of the appraisal district's budget equal to three times the unit's percentage of the total number of real property parcels appraised by the district.

(e) Unless the governing body of a unit and the chief appraiser agree to a different method of payment, each taxing unit shall pay its allocation in four equal payments to be made at the end of each calendar quarter, and the first payment shall be made before January 1 of the year in which the budget takes effect. A payment is delinquent if not paid on the date it is due. A delinquent payment incurs a penalty of 5 percent of the amount of the payment

and accrues interest at an annual rate of 10 percent. If the budget is amended, any change in the amount of a unit's allocation is apportioned among the payments remaining.

(f) Payments shall be made to a depository designed by the district board of directors. The district's funds may be disbursed only by a written check, draft, or order signed by the chairman and secretary of the board or, if authorized by resolution of the board, by the chief appraiser.

(g) If a taxing unit decides not to impose taxes for any tax year, the unit is not liable for any of the costs of operating the district in that year, and those costs are allocated among the other taxing units as if that unit had not imposed taxes in the year used to calculate allocation. However, if that unit has made any payments, it is not entitled to a refund.

(h) If a newly formed taxing unit or a taxing unit that did not impose taxes in the preceding year imposes taxes in any tax year, that unit is allocated a portion of the amount budgeted to operate the district as if it had imposed taxes in the preceding year, except that the amount of taxes the unit imposes in the current year is used to calculate its allocation. Before the amount of taxes to be imposed for the current year is known, the allocation may be based on an estimate to which the district board of directors and the governing body of the unit agree, and the payments made after that amount is known shall be adjusted to reflect the amount imposed. The payments of a newly formed taxing unit that has no source of funds are postponed until the unit has received adequate tax or other revenues.

(i) The fiscal year of an appraisal district is the calendar year unless the governing bodies of three-fourths of the taxing units entitled to vote on the appointment of board members adopt resolutions proposing a different fiscal year and file them with the secretary of the board not more than 12 and not less than eight months before the first day of the fiscal year proposed by the resolutions. If the fiscal year of an appraisal district is changed under this subsection, the chief appraiser shall prepare a proposed budget for the fiscal year as provided by Subsection (a) of this section before the 15<sup>th</sup> day of the seventh month preceding the first day of the fiscal year established by the change, and the board of directors shall adopt a budget for the fiscal year as provided by Subsection (b) of this section before the 15<sup>th</sup> day of the fourth month preceding the first day of the fiscal year established by the change. Unless the appraisal district adopts a different method of allocation under Section 6.061 of this code, the allocation of the budget to each taxing unit shall be calculated as provided by Subsection (d) of this section using the amount of property taxes imposed by each participating taxing unit in the most recent tax year preceding the fiscal year established by the change for which the necessary information is available. Each taxing unit shall pay its allocation as provided by Subsection (e) of the section, except that the first payment shall be made before the first day of the fiscal year established by the change and subsequent payments shall be made quarterly. In the year in which a change in the fiscal year occurs, the budget that takes effect on January 1 of that year may be

amended as necessary as provided by Subsection (c) of this section in order to accomplish the change in fiscal years.

(j) If the total amount of the payments made or due to be made by the taxing units participating in an appraisal district exceeds the amount actually spent or obligated to be spent during the fiscal year for which the payments were made, the chief appraiser shall credit the excess amount against each taxing unit's allocation payments for the following year in proportion to the amount of each unit's budget allocation for the fiscal year for which the payments were made. If a taxing unit that paid its allocated amount is not allocated a portion of the district's budget for the following fiscal year, the chief appraiser shall refund to the taxing unit its proportionate share of the excess funds not later than the 150<sup>th</sup> day after the end of the fiscal year for which the payments were made.

#### **SECTION 6.062 PROPERTY TAX CODE, PUBLICATION OF BUDGET**

(a) Not later than the 10<sup>th</sup> day before the date of the public hearing at which the board of directors considers the appraisal district budget, the chief appraiser shall give notice of the public hearing by publishing the notice in a newspaper having general circulation in the county for which the appraisal district is established. The notice may not be smaller than one-quarter page of a standard-size or tabloid-size newspaper and may not be published in the part of the paper in which legal notices and classified advertisements appear.

(b) The notice must set out the time, date, and place of the public hearing and must set out a summary of the proposed budget. The summary must set out as separate items:

- (1) The total amount of the proposed budget;
- (2) The amount of increases proposed from the budget adopted for the current year;  
and
- (3) The number of employees to be compensated under the current budget and the number of employees to be compensated under the proposed budget.

(c) The notice must state that the appraisal district is supported solely by payments from the local taxing units served by the appraisal district. The notice must also contain the following statement: "If approved by the appraisal district board of directors at the public hearing, this proposed budget will take effect automatically unless disapproved by the governing bodies of the county, school districts, cities, and towns served by the appraisal district. A copy of the proposed budget is available for public inspection in the office of each of those governing bodies."

**SECTION 6.051 PROPERTY TAX CODE, OWNERSHIP OF REAL PROPERTY**

(a) The board of directors of an appraisal district may purchase or lease real property and may construct improvements as necessary to establish and operate the appraisal office or a branch appraisal office.

(b) The acquisition or conveyance of real property or the construction or renovation of a building or other improvement by an appraisal district must be approved by the governing bodies of three-fourths of the taxing units entitled to vote on the appointment of board members. The board of directors by resolution may propose a property transaction or other action for which this subsection requires approval of the taxing units. The chief appraiser shall notify the presiding officer of each governing body entitled to vote on the approval of the proposal by delivering a copy of the board's resolution, together with information showing the costs of other available alternatives to the proposal. On or before the 30th day after the date the presiding officer receives notice of the proposal, the governing body of a taxing unit by resolution may approve or disapprove the proposal. If a governing body fails to act on or before that 30th day or fails to file its resolution with the chief appraiser on or before the 10th day after that 30th day, the proposal is treated as if it were disapproved by the governing body.

(c) The board of directors may convey real property owned by the district, and the proceeds shall be credited to each taxing unit that participates in the district in proportion to the unit's allocation of the appraisal district budget in the year in which the transaction occurs. A conveyance must be approved as provided by Subsection (b) of this section, and any proceeds shall be apportioned by an amendment to the annual budget made as provided by Subsection (c) of Section [6.06](#) of this code.

(d) An acquisition of real property by an appraisal district before January 1, 1988, may be validated before March 1, 1988, in the manner provided by Subsection (b) of this section for the acquisition of real property.

# Glossary

## GLOSSARY

**Accrual Basis of Accounting-** Method of accounting that recognizes the financial effect or transactions, events, and interfund activity when they occur, regardless of the timing of related cash flows.

**Ad Valorem-** According to value

**Ad Valorem Taxation-** A tax levied in proportion to the value of the thing(s) being taxed. Exclusive of exemptions, use-value assessment provisions, and the like, the property tax is an ad valorem tax.

**Ad-hoc Reports-** A report generated dynamically at the information consumer's request. These reports are created due to unplanned information requests in which information is gathered to support a non-routine decision.

**Appropriation-** a sum of money or total of assets devoted to a special purpose.

**Arbitration-** the use of an unbiased third-party arbitrator to settle a dispute.

**ArcGIS-** A geographic information system (GIS) by ESRI for working with maps and geographic information. It is used for: creating and using maps; compiling geographic data; analyzing mapped information; sharing and discovering geographic information; using maps and geographic information in a range of applications; and managing geographic information in a database.

**Assigned Fund Balance-** The portion of the net position of a government fund that represents resources set aside ("earmarked") by the government for a particular purpose.

**Balanced Budget Policy-** The District's policy that requires the total sum of money a government will collect in a fiscal year equal the amount it spends on goods, services, and capital expenditures.

**Basic Financial Statements-** Minimum combination of financial statements and not disclosure required for fair presentation in conformity with Generally Accepted Accounting Principles (GAAP).

**Basis of Accounting-** Timing of recognition for financial reporting purposes (when the effects of transaction or events should be recognized in financial statements)

**Basis of Budgeting-** Method used to determine when revenues and expenditures are recognized for budgetary purposes.

**Budget Amendment-** A proposal to change the dollar amount of an activity or project or to add an activity of project after the budget has already been adopted. A budget amendment changes the final dollar amount of the budget, requiring the jurisdictions to contribute more money to the District.

**Bonded Indebtedness-** government debt created from issuing bonds.

**CAMA System-** Computer Assisted Mass Appraisal (CAMA) software that is used by appraisal districts to appraise properties within their jurisdictions.

**Capital Asset-** Land, improvement to land, easements, buildings, building improvements, vehicles, machinery, equipment, works of art and historical treasures, infrastructure, and all other tangible or intangible assets that are used in operations and that have initial useful lives extending beyond a single reporting period.

**Capital Equipment-** Equipment that you use to manufacture a product, provide a service or use to sell, store and deliver merchandise. Such equipment will not be sold in the normal course of business, but will be used and worn out or consumed in the normal course of business.

**Capital Equipment Policy (Capitalization Threshold) -** Dollar value at which a government elects to capitalize tangible or intangible assets that are used in operations and that have initial useful lives extending beyond a single reporting period. Generally, capitalization thresholds are applied to individual items rather than groups of items unless the result would be to exclude items that in the aggregate would clearly be material to the financial statements.

**Capital Expenditure-** Funds used by a company to acquire or upgrade physical assets such as property, building, or equipment. This type of outlay is made by companies to maintain or increase the scope of their operations and falls within their capitalization threshold. These expenditures can include everything from repairing a roof to building a brand new building.

**Cash Management Controls-** Controls which promote positive cash management. Cash management is the financial management technique used by treasurers to accelerate the collection of receivables, control payments to vendors/creditors, and efficiently manage cash.

**Centralized Purchasing Concept-** a purchasing system in which all departments of a company can make purchases through a common purchasing department. Centralized purchasing aids in finding the best deals with local vendors for the department, avoids duplicity of orders, and promotes benefits arising from the high volume bulk discounts, lower transportation and inventory management costs, organized transactions, and improved vendor relationships.

**Certification of Achievement for Excellence in Financial Reporting-** Program sponsored by the GFOA to encourage and assist state and local governments to prepare high-quality CAFRs. The program has been in continuous operation since 1946. The program originally was known as the certificate of Conformance Program.

**Committed Fund Balance-** The portion of the net position of a governmental fund that represents resources whose use is subject to a legally binding constraint that is imposed by the government itself at its highest level of decision-making authority and that remains legally binding unless removed in the same manner.

**Comprehensive Annual Financial Report (CAFR)** - Financial report that contains, at a minimum, three sections: 1) introductory, 2) financial, and 3) statistical, and whose financial sections provide information on each individual fund and component unit.

**Contra Revenue Account-** A revenue account that is expected to carry a debit balance instead of the usual credit balance. A contra revenue account reduces the amounts reported in a company's revenue accounts.

**Current Financial Resources Measurement Focus-** Measurement focus where the aim of a set of financial statements is to report the near-term (current) inflows, outflows, and balances of expendable financial resources. The current financial resources measurement focus is unique to accounting and financial reporting for state and local governments and is used solely for reporting the financial position and results of operations of governmental funds.

**Debt Service-** The cash that is required for a particular time period to cover the repayment of interest and principal on a debt.

**Deposition-** A verbal or written testimony of a party or witness in a civil or criminal proceeding taken before trial, usually in an attorney's office.

**Depreciate-** A reduction in the value of an asset with the passage of time, due in particular to wear and tear.

**Discovery-** A category of procedural devices employed by a party to a civil or criminal action, prior to trial, to require the adverse party to disclose information that is essential for the preparation of the requesting party's case and that the other party alone knows or possesses.

**Economic Development Abatement-** A tax abatement is a local agreement between a taxpayer and a taxing unit that exempts all or part of the increase in value of the real property and/or tangible personal property from taxation for a period not to exceed 10 years. These tax abatements are an economic development tool available to cities,

counties and special districts to attract new industries and to encourage the retention and development of existing businesses through property tax exemptions or reductions.

**Economic Resources Measurement Focus-** Measurement focus where the aim of a set of financial statements is to report all inflows, outflows, and balances affecting or reflecting an entity's net position. The economic resources measurement focus is used for proprietary and trust funds, as well as for government-wide financial reporting. It also is used by business enterprise and nonprofit organizations in the private sector.

**Elected Contribution Rate-** The board of directors may take a vote to increase the percentage of gross payroll paid to the Texas Counties and District Retirement System (TCDRS) above that of the required rate.

**Employer Contributions-** A term used in the context of pension benefits and OPEB to describe actual payments made by the employer as compared to the employer's annual required contribution. Only amounts paid to trustees and outside parties qualify as contributions.

**Exemption-** The District grants exemptions to certain organizations, persons, or property that may provide complete relief from tax, tax at a reduced rate or tax on only a portion of the items subject to tax. Examples include the homestead exemption and the over 65 exemption.

**Expenditure-** Under the current financial resources measurement focus, decreases in net financial resources not properly classified as *other financing uses*.

**Formal Hearing-** When a taxpayer protests their property value, a formal hearing before the Appraisal Review Board (ARB) is the final step before the appeals process. The formal hearing is conducted with a panel of three ARB members (unless special circumstances exist).

**Fund-** Fiscal and accounting entity with a self-balancing set of accounts recording cash and other financial resources, together with all related liabilities and residual equities or balances, and changes therein, that are segregated for the purpose of carrying on specific activities or attaining certain objectives in accordance with special regulations, restrictions, or limitations.

**Fund Balance-** Net position of a governmental fund (difference between assets, liabilities, deferred outflows of resources, and deferred inflows of resources).

**Fund Financial Statements-** Basic financial statements presented for funds, in contrast to *government-wide* financial statements.

**General Fund-** Main operating account for a nonprofit entity, such as a government or government agency.

**Governmental Fund-** a broad category of funds used by state and local governments. Governmental funds include the general fund, special revenue funds, capital projects funds, debt service funds and permanent funds.

**Governmental Financial Reporting Model-** Minimum combination of financial statements, notes, and required supplementary information prescribed for state and local governments by the GASB.

**Government-wide Financial Statements-** Financial statements that incorporate all of a government's governmental and business-type activities, as well as its nonfiduciary component units. There are two basic government-wide financial statements: the statement of net position and the statement of activities.

**Homestead-** A building occupied by the owner of the freehold and his or her family, with the primary intention of making it their home, together with the parcel of land on which it stands and the other improvements attached to it.

**Improvement-** Building, other structures, and attachments or annexations to land that are intended to remain so attached or annexed, such as sidewalks, trees, drives, tunnels, drains, and sewers.

**Internal Control Framework-** Integrated set of policies and procedures designed to assist management to achieve its goals and objectives. To be truly comprehensive, a government's internal control framework must 1) provide a favorable control environment, 2) provide for the continuing assessment of risk, 3) provide for the design, implementation, and maintenance of effective control-related policies and procedures, 4) provide for the effective communication of information, and 5) provide for the ongoing monitoring of the effectiveness of control-related policies.

**Jurisdiction (Taxing Entity) -** The right and power to interpret and apply the law; also, the power to tax and the power to govern. The territorial range of authority of control.

**Line Item Transfer-** A proposal to change the dollar amount of an activity or project or to add an activity of project after the budget has already been adopted. A budget line item transfer does not change the final dollar amount of the budget, and does not require the jurisdictions to contribute more money to the District.

**Major Fund-** funds whose revenues, expenditures/expenses, assets or liabilities are at least 10 percent of the total of their fund category (governmental or enterprise) and 5 percent of the aggregate of all governmental and enterprise funds in total.

**Mediation-** A negotiation to resolve differences that is conducted by some impartial third party.

**Modified Accrual Basis of Accounting-** Basis of accounting used in conjunction with the current financial resources measurement focus that modifies the accrual basis of accounting in two important ways: 1) revenues are not recognized until they are measurable and available and 2) expenditures are recognized in the period in which governments in general normally liquidate the related liability rather than when that liability is first incurred (if earlier)..

**Net Position-** The residual of all other financial statement elements presented in a statement of financial position.

**Nonspendable Fund Balance-** The portion of the net position of a governmental fund that cannot be spent either because the underlying resources are not in spendable form or because the government is legally or contractually required to maintain the resources intact.

**Oblique Photography-** A photograph acquired with the camera axis intentionally directed between the horizontal and vertical orientations.

**Open Meetings Act-** Rules that guarantee access to data held by the state or local government. This act establishes a "right-to-know" legal process by which requests may be made for government-held information, to be received freely or at minimal cost, barring standard exceptions.

**Orthophotography-** An aerial photograph in which the displacement of images have been removed and may also form the base map for many GIS programs.

**Parcel-** A contiguous area of land described in a single legal description or as one of a number of lots on a plat; separately owned, either publicly or privately; and capable of being separately conveyed.

**Personal Property-** Moveable property; belongings exclusive of land and buildings.

**Real Property-** Consists of the interests, benefits, and rights inherent in the ownership of land plus anything permanently attached to the land or legally defined as immovable; also called "realty".

**Rendition-** A form that provides information about property that one owns. The appraisal district uses the information the taxpayer provides to appraise that property for taxation.

**Request for Proposal-** Referred to as an RFP, is an early state in a procurement process, issuing an invitation for suppliers, often through the bidding process, to submit a proposal on

a specific commodity or service. The RFP process brings structure to the procurement decision and is meant to allow the risks and benefits to be identified clearly upfront.

**Request for Qualification-** A document distributed by a customer seeking delineation of credentials for suppliers of specific types of services. Also known as an RFQ.

**Required Contribution Rate-** The amount (typically express as a percentage of the contribution base) that is required to be paid into the pension fund.

**Restricted Fund Balance-** The portion of the net position of a governmental fund that represents resources subject to externally enforceable constraints.

**Retention Policy-** A set of guidelines that a company follows to determine how long it should keep certain records. The policy is important for many reasons, including legal requirements that apply to some documents.

**Shapefile-** A popular geospatial vector data format for geographic information systems software. It is developed and regulated by ESRI as a (mostly) open specification for data interoperability among ESRI and other software products.

**SOAH-** State Office of Administrative Hearings

**Special Purpose Government-** Governments that are not general-purpose governments and have a more limited range of purposes. This often includes townships, park districts, sanitation district, and appraisal districts.

**Statement of Activities-** A government-wide financial statement that reports the financial activity of the organization by function over a period of time. Also known as the income statement or profit and loss statement in the for-profit world.

**Statement of Net Assets-** A government-wide financial statement that reports the difference between assets and liabilities as net assets, not fund balances or equity. Assets are reported in order of liquidity, or how readily they are expected to be converted to cash and whether restrictions limit the government's ability to use the resources. Liabilities are reported based on their maturity, or when cash is expected to be used to liquidate them. Net assets are displayed in three components- invested in capital assets, net of related debt; restricted; and unrestricted.

**TCAD-** Travis Central Appraisal District (The District)

**TCDRS-** Texas Counties and Districts Retirement System; TCAD's retirement plan.

**Unassigned Fund Balance-** The difference between the total fund balance in a governmental fund and its nonspendable, restricted, committed, and assigned components.
