GENERAL INFORMATION: This form is used in connection with filing a self-report correction protest or a request for audit of a school district's taxable property values to reflect the amount of value lost in a single school district in one county because of the school tax limitation under Tax Code Section 11.26 on residence homesteads of individuals age 65 or older or disabled. The information is required to determine a deduction, if any, from taxable values for purposes of the Property Value Study, pursuant to Government Code Section 403.302(d)(8).

FILING INSTRUCTIONS: When providing a copy of the certified annual appraisal roll to the Comptroller's office, this form and all supporting documentation is to be completed and submitted with the Tax Rate Submission Spreadsheet to the Property Tax Assistance Division's Data Analysis Team (DAT) by email at ptad.ears@cpa.texas.gov or by mail at P.O. Box 13528, Austin, Texas 78711-3528. For additional information, consult Comptroller Rules 9.103, 9.3059(a) and 9.4308(i) or contact DAT at 800-252-9121 (press 1).

SECTION 1: Property Value Study Year

State the tax year for which you are reporting a loss: 2026

If this form is being completed for SDPVS year 2022 or earlier, ONLY complete column A. For SDPVS years 2023 onward, complete both

SECTION 2: School Tax Limitation Information – Persons Age 65 or Older, Disabled and Qualified Surviving Spouses

Provide the information requested below specific to the residence homesteads of persons age 65 or older, disabled and qualified age 55 or older surviving spouses on which a tax ceiling exists:

Instructions

On line 1, enter the total number of properties that have a tax rate limitation in effect for this SDPVS year. The same number will apply for both columns and is only needed in column A.

On line 2, enter the market value minus any loss to the 10% cap for all homesteads that are counted in line 1. The same number will apply for both columns and is only needed in column A.

On line 3, enter the total value of all state mandated exemptions granted for the homesteads that are counted on line 1. The same number will apply for both columns and is only needed in column A.

On line 4, enter the balance remaining after subtracting line 3 from line 2. The same number will apply for both columns and is only needed in column A.

On line 5, enter the total tax rate for the ISD for this SDPVS year. The same number will apply for both columns and is only needed in column A.

On line 6, enter the levy calculated by multiplying line 5 times line 4 times .01, rounded to an integer with no decimal places. The same number will apply for both columns and is only needed in column A.

On line 7, enter the total limitation amount for homesteads counted in line 1. Use column A for the limitation amount that will apply for this SDPVS year. Use column B for the amount that would have applied for this SDPVS year if it had not been adjusted for tax rate compression and homestead exemption in accordance with SB 12 (second called session of the 87th legislature) and SB 2 (second called session of the 88th legislature). Do not place anything in column B if this form is being used for SDPVS year 2022 or earlier.

On line 8, enter the balance remaining after line 7 is subtracted from the amount in line 6, column A. Use the amount in column A, line 7 for column A and the amount in line 7, column B for column B. If the calculated amount is negative, enter zero. Do not place anything in column B if this form is being used for SDPVS year 2022 or earlier.

On line 9, enter the result of dividing the amount in line 8 by amount in line 5 and then multiplying by 100. Use the amount in line 8 of column A for column A and the amount in line 8 of column B for column B. Do not place anything in column B if this form is being used for SDPVS year 2022 or earlier.

On line 10, enter the total value of any local optional exemptions granted on homesteads included in line 1. This value only applies to column A and is not used in column B.

On line 11, enter the balance remaining after line 10 is subtracted from the amount in line 9 of column A. This value only applies to column A and is not used in column B.

GENERAL INFORMATION: This form is used in connection with filing a self-report correction protest or a request for audit of a school district's taxable property values to reflect the amount of value lost in a single school district in one county because of the school tax limitation under Tax Code Section 11.26 on residence homesteads of individuals age 65 or older or disabled. The information is required to determine a deduction, if any, from taxable values for purposes of the Property Value Study, pursuant to Government Code Section 403.302(d)(8).

FILING INSTRUCTIONS: When providing a copy of the certified annual appraisal roll to the Comptroller's office, this form and all supporting documentation is to be completed and submitted with the Tax Rate Submission Spreadsheet to the Property Tax Assistance Division's Data Analysis Team (DAT) by email at ptad.ears@cpa.texas.gov or by mail at P.O. Box 13528, Austin, Texas 78711-3528. For additional information, consult Comptroller Rules 9.103, 9.3059(a) and 9.4308(i) or contact DAT at 800-252-9121 (press 1).

SECTION 1: Property Value Study Year

State the tax year for which you are reporting a loss:

2026

If this form is being completed for SDPVS year 2022 or earlier, ONLY complete column A. For SDPVS years 2023 onward, complete both

SECTION 2: School Tax Limitation Information – Persons Age 65 or Older, Disabled and Qualified Surviving Spouses

Provide the information requested below specific to the residence homesteads of persons age 65 or older, disabled and qualified age 55 or older surviving spouses on which a tax ceiling exists:

Instructions

On line 1, enter the total number of properties that have a tax rate limitation in effect for this SDPVS year. The same number will apply for both columns and is only needed in column A.

On line 2, enter the market value minus any loss to the 10% cap for all homesteads that are counted in line 1. The same number will apply for both columns and is only needed in column A.

On line 3, enter the total value of all state mandated exemptions granted for the homesteads that are counted on line 1. The same number will apply for both columns and is only needed in column A.

On line 4, enter the balance remaining after subtracting line 3 from line 2. The same number will apply for both columns and is only needed in column A.

On line 5, enter the total tax rate for the ISD for this SDPVS year. The same number will apply for both columns and is only needed in column A.

On line 6, enter the levy calculated by multiplying line 5 times line 4 times .01, rounded to an integer with no decimal places. The same number will apply for both columns and is only needed in column A.

On line 7, enter the total limitation amount for homesteads counted in line 1. Use column A for the limitation amount that will apply for this SDPVS year. Use column B for the amount that would have applied for this SDPVS year if it had not been adjusted for tax rate compression and homestead exemption in accordance with SB 12 (second called session of the 87th legislature) and SB 2 (second called session of the 88th legislature). Do not place anything in column B if this form is being used for SDPVS year 2022 or earlier.

On line 8, enter the balance remaining after line 7 is subtracted from the amount in line 6, column A. Use the amount in column A, line 7 for column A and the amount in line 7, column B for column B. If the calculated amount is negative, enter zero. Do not place anything in column B if this form is being used for SDPVS year 2022 or earlier.

On line 9, enter the result of dividing the amount in line 8 by amount in line 5 and then multiplying by 100. Use the amount in line 8 of column A for column A and the amount in line 8 of column B for column B. Do not place anything in column B if this form is being used for SDPVS year 2022 or earlier.

On line 10, enter the total value of any local optional exemptions granted on homesteads included in line 1. This value only applies to column A and is not used in column B.

On line 11, enter the balance remaining after line 10 is subtracted from the amount in line 9 of column A. This value only applies to column A and is not used in column B.

Appraisal District Number

GENERAL INFORMATION: This form is used in connection with filing a self-report correction protest or a request for audit of a school district's taxable property values to reflect the amount of value lost in a single school district in one county because of the school tax limitation under Tax Code Section 11.26 on residence homesteads of individuals age 65 or older or disabled. The information is required to determine a deduction, if any, from taxable values for purposes of the Property Value Study, pursuant to Government Code Section 403.302(d)(8).

FILING INSTRUCTIONS: When providing a copy of the certified annual appraisal roll to the Comptroller's office, this form and all supporting documentation is to be completed and submitted with the Tax Rate Submission Spreadsheet to the Property Tax Assistance Division's Data Analysis Team (DAT) by email at ptad.ears@cpa.texas.gov or by mail at P.O. Box 13528, Austin, Texas 78711-3528. For additional information, consult Comptroller Rules 9.103, 9.3059(a) and 9.4308(i) or contact DAT at 800-252-9121 (press 1).

SECTION 1: Property Value Study Year

State the tax year for which you are reporting a loss:

2026

If this form is being completed for SDPVS year 2022 or earlier, ONLY complete column A. For SDPVS years 2023 onward, complete both

SECTION 2: School Tax Limitation Information – Persons Age 65 or Older, Disabled and Qualified Surviving Spouses

Provide the information requested below specific to the residence homesteads of persons age 65 or older, disabled and qualified age 55 or older surviving spouses on which a tax ceiling exists:

Instructions

On line 1, enter the total number of properties that have a tax rate limitation in effect for this SDPVS year. The same number will apply for both columns and is only needed in column A.

On line 2, enter the market value minus any loss to the 10% cap for all homesteads that are counted in line 1. The same number will apply for both columns and is only needed in column A.

On line 3, enter the total value of all state mandated exemptions granted for the homesteads that are counted on line 1. The same number will apply for both columns and is only needed in column A.

On line 4, enter the balance remaining after subtracting line 3 from line 2. The same number will apply for both columns and is only needed in column A.

On line 5, enter the total tax rate for the ISD for this SDPVS year. The same number will apply for both columns and is only needed in column A.

On line 6, enter the levy calculated by multiplying line 5 times line 4 times .01, rounded to an integer with no decimal places. The same number will apply for both columns and is only needed in column A.

On line 7, enter the total limitation amount for homesteads counted in line 1. Use column A for the limitation amount that will apply for this SDPVS year. Use column B for the amount that would have applied for this SDPVS year if it had not been adjusted for tax rate compression and homestead exemption in accordance with SB 12 (second called session of the 87th legislature) and SB 2 (second called session of the 88th legislature). Do not place anything in column B if this form is being used for SDPVS year 2022 or earlier.

On line 8, enter the balance remaining after line 7 is subtracted from the amount in line 6, column A. Use the amount in column A, line 7 for column A and the amount in line 7, column B for column B. If the calculated amount is negative, enter zero. Do not place anything in column B if this form is being used for SDPVS year 2022 or earlier.

On line 9, enter the result of dividing the amount in line 8 by amount in line 5 and then multiplying by 100. Use the amount in line 8 of column A for column A and the amount in line 8 of column B for column B. Do not place anything in column B if this form is being used for SDPVS year 2022 or earlier.

On line 10, enter the total value of any local optional exemptions granted on homesteads included in line 1. This value only applies to column A and is not used in column B.

On line 11, enter the balance remaining after line 10 is subtracted from the amount in line 9 of column A. This value only applies to column A and is not used in column B.

GENERAL INFORMATION: This form is used in connection with filing a self-report correction protest or a request for audit of a school district's taxable property values to reflect the amount of value lost in a single school district in one county because of the school tax limitation under Tax Code Section 11.26 on residence homesteads of individuals age 65 or older or disabled. The information is required to determine a deduction, if any, from taxable values for purposes of the Property Value Study, pursuant to Government Code Section 403.302(d)(8).

FILING INSTRUCTIONS: When providing a copy of the certified annual appraisal roll to the Comptroller's office, this form and all supporting documentation is to be completed and submitted with the Tax Rate Submission Spreadsheet to the Property Tax Assistance Division's Data Analysis Team (DAT) by email at ptad.ears@cpa.texas.gov or by mail at P.O. Box 13528, Austin, Texas 78711-3528. For additional information, consult Comptroller Rules 9.103, 9.3059(a) and 9.4308(i) or contact DAT at 800-252-9121 (press 1).

SECTION 1: Property Value Study Year

State the tax year for which you are reporting a loss:

2026

If this form is being completed for SDPVS year 2022 or earlier, ONLY complete column A. For SDPVS years 2023 onward, complete both

SECTION 2: School Tax Limitation Information – Persons Age 65 or Older, Disabled and Qualified Surviving Spouses

Provide the information requested below specific to the residence homesteads of persons age 65 or older, disabled and qualified age 55 or older surviving spouses on which a tax ceiling exists:

Instructions

On line 1, enter the total number of properties that have a tax rate limitation in effect for this SDPVS year. The same number will apply for both columns and is only needed in column A.

On line 2, enter the market value minus any loss to the 10% cap for all homesteads that are counted in line 1. The same number will apply for both columns and is only needed in column A.

On line 3, enter the total value of all state mandated exemptions granted for the homesteads that are counted on line 1. The same number will apply for both columns and is only needed in column A.

On line 4, enter the balance remaining after subtracting line 3 from line 2. The same number will apply for both columns and is only needed in column A.

On line 5, enter the total tax rate for the ISD for this SDPVS year. The same number will apply for both columns and is only needed in column A.

On line 6, enter the levy calculated by multiplying line 5 times line 4 times .01, rounded to an integer with no decimal places. The same number will apply for both columns and is only needed in column A.

On line 7, enter the total limitation amount for homesteads counted in line 1. Use column A for the limitation amount that will apply for this SDPVS year. Use column B for the amount that would have applied for this SDPVS year if it had not been adjusted for tax rate compression and homestead exemption in accordance with SB 12 (second called session of the 87th legislature) and SB 2 (second called session of the 88th legislature). Do not place anything in column B if this form is being used for SDPVS year 2022 or earlier.

On line 8, enter the balance remaining after line 7 is subtracted from the amount in line 6, column A. Use the amount in column A, line 7 for column A and the amount in line 7, column B for column B. If the calculated amount is negative, enter zero. Do not place anything in column B if this form is being used for SDPVS year 2022 or earlier.

On line 9, enter the result of dividing the amount in line 8 by amount in line 5 and then multiplying by 100. Use the amount in line 8 of column A for column A and the amount in line 8 of column B for column B. Do not place anything in column B if this form is being used for SDPVS year 2022 or earlier.

On line 10, enter the total value of any local optional exemptions granted on homesteads included in line 1. This value only applies to column A and is not used in column B.

On line 11, enter the balance remaining after line 10 is subtracted from the amount in line 9 of column A. This value only applies to column A and is not used in column B.

GENERAL INFORMATION: This form is used in connection with filing a self-report correction protest or a request for audit of a school district's taxable property values to reflect the amount of value lost in a single school district in one county because of the school tax limitation under Tax Code Section 11.26 on residence homesteads of individuals age 65 or older or disabled. The information is required to determine a deduction, if any, from taxable values for purposes of the Property Value Study, pursuant to Government Code Section 403.302(d)(8).

FILING INSTRUCTIONS: When providing a copy of the certified annual appraisal roll to the Comptroller's office, this form and all supporting documentation is to be completed and submitted with the Tax Rate Submission Spreadsheet to the Property Tax Assistance Division's Data Analysis Team (DAT) by email at ptad.ears@cpa.texas.gov or by mail at P.O. Box 13528, Austin, Texas 78711-3528. For additional information, consult Comptroller Rules 9.103, 9.3059(a) and 9.4308(i) or contact DAT at 800-252-9121 (press 1).

SECTION 1: Property Value Study Year

State the tax year for which you are reporting a loss:

2026

If this form is being completed for SDPVS year 2022 or earlier, ONLY complete column A. For SDPVS years 2023 onward, complete both

SECTION 2: School Tax Limitation Information – Persons Age 65 or Older, Disabled and Qualified Surviving Spouses

Provide the information requested below specific to the residence homesteads of persons age 65 or older, disabled and qualified age 55 or older surviving spouses on which a tax ceiling exists:

Instructions

On line 1, enter the total number of properties that have a tax rate limitation in effect for this SDPVS year. The same number will apply for both columns and is only needed in column A.

On line 2, enter the market value minus any loss to the 10% cap for all homesteads that are counted in line 1. The same number will apply for both columns and is only needed in column A.

On line 3, enter the total value of all state mandated exemptions granted for the homesteads that are counted on line 1. The same number will apply for both columns and is only needed in column A.

On line 4, enter the balance remaining after subtracting line 3 from line 2. The same number will apply for both columns and is only needed in column A.

On line 5, enter the total tax rate for the ISD for this SDPVS year. The same number will apply for both columns and is only needed in column A.

On line 6, enter the levy calculated by multiplying line 5 times line 4 times .01, rounded to an integer with no decimal places. The same number will apply for both columns and is only needed in column A.

On line 7, enter the total limitation amount for homesteads counted in line 1. Use column A for the limitation amount that will apply for this SDPVS year. Use column B for the amount that would have applied for this SDPVS year if it had not been adjusted for tax rate compression and homestead exemption in accordance with SB 12 (second called session of the 87th legislature) and SB 2 (second called session of the 88th legislature). Do not place anything in column B if this form is being used for SDPVS year 2022 or earlier.

On line 8, enter the balance remaining after line 7 is subtracted from the amount in line 6, column A. Use the amount in column A, line 7 for column A and the amount in line 7, column B for column B. If the calculated amount is negative, enter zero. Do not place anything in column B if this form is being used for SDPVS year 2022 or earlier.

On line 9, enter the result of dividing the amount in line 8 by amount in line 5 and then multiplying by 100. Use the amount in line 8 of column A for column A and the amount in line 8 of column B for column B. Do not place anything in column B if this form is being used for SDPVS year 2022 or earlier.
